

Addition Planned At Baer School In Madison

Plans To Be Drawn For
Multi-Purpose Room
Costing About \$60,000

Initial steps toward the addition of a multi-purpose room to the Louis Baer elementary school at McCambridge avenue and Rhodes street in Madison were taken Tuesday night by the Madison school board, which authorized Architect Virgil Dulgeroff to draw up preliminary plans.

The proposed construction would be financed partly by money set aside in the school district's building fund, and partly from funds derived from the township school treasurer's loanable fund, which is to be dissolved.

Supt. Wensel Brown told the board that the district "probably will never have another opportunity to finance a construction project by such means. When the school treasurer's loanable fund is dissolved it will be divided between the Madison and Venice school districts. The township school trustee system will go out of existence next June 30.

Although a cost figure was not included in the resolution passed by the board authorizing the drawing of plans, Dulgeroff will be asked to design an addition which would cost in the neighborhood of \$60,000 to erect and equip.

The amount of the architectural fee to be \$6,000. It was pointed out that with the addition at Louis Baer, all grade schools in the district will have multi-purpose rooms or gymnasiums which can be used for all-purpose room.

Brown submitted a report on the progress of other building improvements undertaken this summer.

Annex Renovation Finished
He listed the interior renovation of the Dunbar annex as "99% complete," and said that while the building has not yet been accepted there are no major portions of the work unfinished. Classes have been held regularly since the school opened in Madison on Aug. 28.

Completed this month was the installing of a concrete walkway along one outside wall of the Madison Junior high school, constructed on a slope away from the building to

(Continued on Page 7, Col. 2)

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery this week: Fred Shuler, 2017 Lindell blvd.; Walter Blythe, 2116 Dewey avenue; Mildred Anderson, 2689 Highway 67; Bessie Eggeneyer, 2520 Center street; Elizabeth Davis, 2409 Madison avenue; Clarence Salaries, 2017 Highway 67; Dupe; Emil Strotheide, 3044 Wayne avenue; Eva Dinoff, 2654 Madison avenue; Mary Hastly, 22 Nassau; Andrew Dubish, 1027 Alton avenue, Madison.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Harold Lassen, 2133a Benton street.
Mr. and Mrs. Paul Duffield, 2206 Wilson avenue.
Mr. and Mrs. Emil Neubauer, 2123 Clark avenue.
Mr. and Mrs. James Davidson, 2114 Lee avenue.
Mr. and Mrs. Eugene Chmielewski, Wood River.

BOYS

Mr. and Mrs. Victor Knowles, 2419 Bromley avenue.
Mr. and Mrs. William La Brot, Collinsville.
Mr. and Mrs. Willard Herzing, 2033 Dale avenue.
Mr. and Mrs. Vernon Chandler, Dupe.
Mr. and Mrs. Russell Kollerher, 2040 Park avenue.
Mr. and Mrs. William Nutt, 1105 Kirkpatrick homes.
Mr. and Mrs. Gus Townsen, 1990 Harris street, Madison.
Mr. and Mrs. David Hollis, 1004 Reynolds street, Madison.
Mr. and Mrs. Ronald Rodick, 2744 Sunset drive.
Mr. and Mrs. Gerald Voloski, 3084 Wayne avenue.
Mr. and Mrs. Carl Clark, 1126 West 22nd street.
Mr. and Mrs. Ernest Graff, 1820 Bremen avenue.

STATE STREET IMPROVEMENT under way south of 18th street, where a primer coat is being applied prior to resurfacing with blacktop. The \$21,480 motor fuel tax project extends from 18th street south to the city limits. Sand and gravel is being spread on the prime coat in the above photo, looking north in the 1700 block.

More Youngsters, Oldsters

Third of a series on the proposed adoption of zoning for unincorporated areas of Madison county.

Not only is Madison county's population growing—it is changing.

The study by Evert Kinead and Associates, a part of the

current preparations for county zoning, points out that the county is acquiring more young people and elderly persons per centage-wise as well as numerically.

And the Kinead report notes that planning and zoning can help assure the adequacy of

future provision for these groups' needs.

Group To Double In 20 Years

"To the extent that population projections are locally applicable, the unincorporated areas of Madison county will contain in 1970 approximately 18,000 persons aged 55 years and over, nearly 10,000 more than in 1950," the report says.

"The teenage (10 to 19 years) population is expected to increase by about 7,500, the relative increase of persons in the 'productive' age categories ranging from 20 to 45 years may be 1970 constitute about 30% of the total population, compared with nearly 40% in 1950.

"In sum, the population trends here hence may be greatly influenced by teenagers and the elderly. Both age-group concentrations pose problems for planners and governmental people alike.

Housing, Recreation
"For example, the housing requirements of the aged—including retirement, those still economically active and the infant differ markedly from those of the younger age groups in respect of the size and structural

Space Program Could Go Faster, Rotarians Told

America's space flight program is moving slower than necessary, but Russia's lead in rocket boosters is not so great that the Communists are likely to risk war, Granite City Rotarians were told Tuesday by Dr. Lawrence McAneny, Southern Illinois University professor of theoretical physics.

The speaker, who spent this summer on the staff of the Redstone Arsenal, Huntsville, Ala., said inability to attract physicists to the Alabama site is a problem. In addition, separation of rocket components among several centers makes it impossible to pinpoint responsibility for delays and failures, he commented.

Facilities at the 125-square-mile location consist of the George C. Marshall Space Flight Center, operated by the National Aeronautics and Space Association; the Army's Rocket and Guided Missile Agency; and a school for firing of rocket artillery. He described it as the leading space flight center, and added that serious planning is in progress for "going to the moon." Of the 6000 employees, only a "handful" are former German rocket scientists.

Could Have Been First
The Redstone missile was the chief power plant for the first and later U. S. satellites as well as the first two U. S. manned space flights, Dr. McAneny said, commenting that this country could have been first into space since the rocket was available and it would have been simple to add the satellite unit to it. Instead, emphasis was placed on the Vanguard program, which largely failed, he said, asserting "the capability was here, before Russia launched its first satellite."

NASA was formed from the National Advisory Council on Aeronautics, which dealt with aircraft, and the Vanguard group. A year ago, Redstone was taken from the Army and placed under NASA — an independent agency responsible only to the president of the U. S. — and the successful Redstone team found itself in the lower echelon of an already organized group, with Vanguard men filling most of the top positions, he related. Cape Canaveral, Fla., space operations are a part of the Huntsville organization, Dr. McAneny explained. It was noted that Houston, Tex., has been chosen for the NASA space research center to direct moon flight planning.

Reasons For Exploration
"Advantages of space exploration are not apparent to everyone, but they are many," the club was told. "Even if we never find anything practical, countless by-products of the research — in technology and electronics — will affect everybody. The number of problems in space flight is staggering, such as lubricating a vehicle on the moon — in a vacuum and during extreme temperature changes — or preventing moving metal parts from bonding together."

While Russia has had announced failures, it is ahead in space technology and all of the basic books in the field are Russian, Dr. McAneny said, observing that the U. S. is spending large sums but not yet exerting its full effort; in Russia, physicians probably are forced to "volunteer."

Full responsibility for an entire program at one center would end U. S. space "back alley" passing, he concluded, urging fuller utilization of Air Force capability.

He was introduced by David Cooper, program chairman. President Edward Meng reported current net Rotary Home Show proceeds of \$1687, with several major reports yet to be received.

Timer Nets 6 Arrests

Using an electric timing device, Granite City police arrested and charged six motorists with speeding on the Edwardsville road between 11:50 a.m. and 1:30 p.m. Tuesday. They are: Doris Jean Daniels, 35, of 824 Alton avenue, Madison; Tillie Norberg, 43, of 1817 Fourth street; James J. Holten, 21, of 4906 Kirkpatrick homes; Carl G. Shotton, 29, of 1415 Madison avenue; and Anne Zalewski, 38, of 1622 Lindell blvd. All posted their driver's licenses as bond.

THANK!
Before you drink and drive, ask yourself this question: "Is this sip necessary?"

PRESCRIPTIONS ARE THE MOST IMPORTANT PART OF OUR BUSINESS

MORE ABOUT

Mayor Yields

(Continued from Page 1)

has not been universally accepted by all of us. I do feel that there is much in it which deserves our thorough consideration and ultimate adoption. If we are to carry out our duty to the electorate to administer this city efficiently, economically and intelligently.

Changes In Other Depts.

He stressed that a number of the SIU recommendations have been carried out in other departments and are proving successful, and that he hoped the council would continue studying other recommendations and either accept or reject them.

While the mayor made no direct reference to changing the street superintendent office from elective to appointive, Warfield's attorney, Harold Gruenberg, commented it was the big issue.

The St. Louis lawyer emphasized the change with qualifications and quoting the SIU report, he read, "the city has an excellent street department supervised by a qualified superintendent. A good program of work has been set up and is being carried out within the limits imposed by equipment and finances available."

"Turning to the audience, Gruenberg said he didn't believe the people of Granite City would vote out of office such a qualified superintendent."

"True," he continued, "the report states that the superintendent of streets be appointive, but it also states this change be made only with safeguards to assure that there will be no interference with the administrative officials by individual councilmen."

Patronage Possibility

"The report continues, 'There is nothing to prevent an incoming mayor from using the superintendent of streets position and the 30 jobs in the department for patronage in exchange for votes. This situation is averted now by electing the election of a street superintendent in the off years.'"

Gruenberg said the change from an elective to an appointive post is based on the theory a program of civil service would be adopted for employees. Alderman Arthur Wieser told the attorney that the city's employees are protected by unions and have security.

"Pressures can be applied," the lawyer replied.

Wieser's return, "Not in Granite City," was booed by the audience.

Gruenberg also challenged a statement by City Atty. William Beatty that the mayor has the power to hire and fire, and was indicated that issue might be a major point in the committee meeting. Warfield told council members that if he had the authority, he would not use it indiscriminately. "If my orders are disregarded, I'll report it to the council," Warfield said.

In his statement, the Mayor said the street department is the largest single recipient of tax funds — \$335,631 in 1959 and \$392,850 in 1960 — and it is obvious that if we wish to make any substantial highway toward efficiency and economy, this must be the department that receives our most careful attention.

Operational Shortcomings

"There are still serious shortcomings that need correction, and again I must point out that the street department is not alone in this regard."

"Among those shortcomings is the lack of aggressive administrative leadership and operating efficiency. The time has long passed when our street department can be operated on a day to day basis."

The mayor added that from a personal investigation he found few records being kept in the department and no programming of work. "There has been no attempt made to utilize the money given to the department or the man power of the department in an overall program of improvement for the city."

He cited as an example that in 1960, \$8400 was spent in the Sixth Ward for sidewalk and curb repair, while \$907 was expended in the Second Ward. "Each of you around this table knows that certain parts of our town have received far greater attention from the street department — tree trimming, sidewalk repair, sewer cleaning, etc. — than others. The work by the street department should be on a fair, objective basis."

Responsibility for upkeep and inspection of sewers rests with the street superintendent, the mayor added, pointing out the city has been confronted with sewer breakdowns in the Nameoki area in the past two months.

Denial Responsibility Warfield vehemently denied the sewer breaks resulted from neglect on his part. "I've taken a lot," he remarked, "and tonight the gold plated sewers in Nameoki fall into my lap. He added that he had advised a former city resident engineer over a year ago of the Terrace lane condition. "All I want to do is my job and do it right."

He also challenged the mayor's remark on favoritism in wards. "I do the work where it is needed, and I've tried to work with all of you."

Warfield asked again, "I

Enore Bernaix Dies; Hospitalized 7 Weeks

Mrs. Enore Bernaix, 66, of 1418a Eighteenth street, a 40-year resident of Granite City, passed away at 4:20 a.m. yesterday at St. Elizabeth Hospital following a long illness.

Stricken with a heart attack and partial stroke several weeks ago, Mrs. Bernaix had been hospitalized seven weeks. Prior to her illness she was a nurse aid at St. Elizabeth Hospital.

Mrs. Bernaix was the widow of Frank Bernaix, who preceded her in death in 1948. She was born in Chester, Ill.

Survivors include two brothers, Alvin H. Crain and Roy M. Crain, both of St. Louis, and a number of nieces and nephews.

Funeral arrangements are given in today's obituary column.

William H. Ferguson, 75, Succumbs Today

William Hull Ferguson, 75, of 2154 Lynch avenue died at 10:30 a.m. today at the Missouri Pacific Hospital, St. Louis, where he had been a patient since May 4.

A retired railroad worker, Mr. Ferguson had been a Granite City resident for many years. He had been in failing health for several months.

Survivors include his wife, Mrs. Daisy Ferguson, two daughters, Mrs. Ray (Lorna) Tibbs, Mt. Vernon, and Mrs. Francis (Edna) Coats, Granite City; three brothers, Carl of Corona, Calif., Edward of San Francisco and Walter of Canton, Ohio; and five grandchildren.

"An obituary notice is given elsewhere in this issue."

Auto Broke Fail

Police reported that the brakes on a car driven by Holena D. Chalmers, 75, of 2607 Benton street failed as she was driving off a parking lot in the 1900 block of Delmar avenue yesterday at 3:15 p.m. and she collided with a southbound car. The other car was driven by Carol A. Pritchard, 18, of 5106 Maryville road. There were no injuries.

It went clear that I have control of the street department?"

The mayor replied, "right."

Explaining his action of several weeks ago, the mayor remarked in his statement that as the city's chief executive officer, it was his responsibility to coordinate operations of all city departments and to initiate corrective action whenever "he feel it required."

Adding that he did not claim or have the desire to carry out the day-to-day operation of the department, he felt it necessary to step in.

"In the past, I have requested through the superintendent of streets, that certain changes be made in the operation of his department, or in specific instances, have requested him to take action on complaints turned into my office by the various aldermen. These requests have not only been ignored, but have been specifically refused."

"In order for me to obtain a solution to some of the problems which you, representing the people of your ward, have brought to my office, it has been necessary for me to intervene to street department employees to correct the troublesome situations. This was necessitated by the reason of the fact that the superintendent of streets has refused to carry out requests for service coming from my office from you."

Comments by aldermen at the close of the mayor's statement were brief.

Applause By Audience

Alderman Mrs. Gabrielle Bettine called upon the audience for response. Loud applause was the reaction to her question of how many were opposed to the mayor's action, while the majority of the audience noticeably light when she asked how many supported the mayor. She pointed out the SIU report had not been adopted in full by the council, and that its recommendations would not be carried out unless all aldermen were kept informed of the activities of the aldermen serving as committee chairmen.

"The mayor feels he had authority to go to the street department and issue orders in lieu of the superintendent. This needs clarification," she said. "The man was elected to office and should be able to do his job in dignity and peace and it should be determined if he can fire any man in the department should they not carry out orders."

If the motion for the street superintendent to be given the authority to hire and fire was ruled out of order, since there was the motion on the floor, the mayor's request for committee action.

"I'm proud of Granite City men who came up here to be seen and to show their interest in the city," Mrs. Bettine continued. "If they didn't show interest, Democracy would be lost."

Other aldermen questioned the authority to hire and fire, and City Atty. Beatty was called upon. He stated the authority was shared by the mayor as chief executive officer.

Alderman Donald Partney told council members that a 1906 ordinance outlines the duties of the street superintendent, and the mayor, but that the city council could cut off the money.

He pointed out the city has work contracts with unions and that the authority to hire and fire is carried out through the unions.

Alderman Walter Nunn and Ed Cammer Skibush protested the mayor setting forth street de-

City Seeks Larger

Garage Facilities; 4 Possibilities

Relocation of the city garage to provide larger storage facilities for the street and sanitation departments is under consideration by the Granite City council's Planning committee, and Chairman Donald Partney was given permission Monday night to present the proposal to the City Planning Commission for further study.

Partney said four locations are being studied and others will be considered before a purchase is made. He pointed out the city has \$50,000 set up in its new budget for a down payment.

Sites Viewed

Sites already viewed by the council committee are the A. H. Scheibel property at 23rd and Adams street, Draper Planning Mill in the 1600 block of Grand avenue, the former Buick agency garage at 19th street and Madison avenue and the former brewery warehouse at 19th street and railroad tracks. Partney said the prices ranged from \$80,000 to \$125,000 and he would be considering remodeling at several of the sites. Funds would be secured from the sale of the present city garage at 19th and Benton streets, he added.

Since the relocation is a capital improvement, Partney said the proposals and council views would be presented to the Plan Commission for its study and a recommendation.

Alternate Recommendations

During the discussion it was brought out the city should consider sites where expansion is possible as the community grows, and that a study should be made of acquiring a vacant tract and purchase of prefabricated buildings for garages and storage.

Partney said the proposals would be given to the commission at its meeting at 7:30 this evening in the city court room at the city hall.

Zone Change Protest

Earlier in the meeting, the council referred to the Planning Commission for its meeting Monday night a petition of protest for a requested zoning change from R-1 single dwelling classification to R-5 multiple dwelling class of a tract off Johnson road in the 2100 block. The petitions were signed by residents of the 3300 block of Walbath avenue and 2100 block of Clark avenue.

Water Company, Office

Workers Meet Today

Negotiations are in progress today between representatives of the East St. Louis & Indiana Water Co. and Local 130 of the International Office Employees Union in effort to reach agreements on a new contract.

Herbert Wilhelm, executive secretary of the Greater East St. Louis Labor Council, said a meeting was called at 11 a.m. today by federal conciliators to head off a possible strike by workers in the water company.

Granite City, East St. Louis and Belleville offices.

Wilhelm said the local has received permission from the international union to strike should negotiations break down. A strike vote was taken and a strike approved earlier by members of the local.

Union Council Supports

Allied Printing Label

Delegates to the Tri-City Trades & Labor Council instructed President Edwin Reiske last night to write letters to all unions and public agencies urging them to patronize printing shops displaying the Allied Printing Trades Union label.

During the meeting at the Labor Temple, attended by 51 delegates, a letter was read from the Allied Printing Trades Council, St. Louis, pointing out that its label is the only printing trades union label recognized by the American Federation of Labor and Congress of Industrial Organizations as representing every craft in the printing industry.

"Other labels have been used in various shops that represent themselves to be 100% union; however, a careful investigation will reveal that these labels only represent individual segments of the printing industry. The Granite City Press-Record and Tri-City Printing Co. are the only labels in our area that have the Allied Printing Trades Union Label, and all printing shops in these plants are members of the AFL-CIO printing trades unions."

partments expenditures in their wards, saying they had merely ruled out a order when he started to quote a section of the SIU report pertaining to the city's \$26000 a year to each ward for curb and sidewalk repairs and that the city had been approved by the council.

With the mayor's motion still before the council, Skibush was ruled out of order when he started to quote a section of the SIU report pertaining to the city's \$26000 a year to each ward for curb and sidewalk repairs and that the city had been approved by the council.

With the mayor's motion still before the council, Skibush was ruled out of order when he started to quote a section of the SIU report pertaining to the city's \$26000 a year to each ward for curb and sidewalk repairs and that the city had been approved by the council.

MORE ABOUT

Levee Officials

(Continued from Page 1)

Bridge, and voted to send two members of the police department to the Illinois Police Association meeting at Chicago Oct. 8-11.

Mayor Macrae read a letter from the Illinois Commerce Commission granting permission for the Illinois Terminal Railroad to relocate crossing signals at their Madison avenue crossing. He said the action will allow the signals to be set farther apart, making way for the street widening.

The mayor reported to the council that work on the Madison avenue project is progressing as well as can be expected, and that contractors are doing their best to complete the work as soon as possible.

"I know our businessmen are somewhat impatient for the work to be finished," he said. "It does interfere with our business somewhat, but that is the one price we have to pay."

He said the East St. Louis and Interurban Water Co. did not complete relocation of water lines—clear the way for the work—in the 30 days allotted, holding up the project to some extent.

The mayor said he does not know if as much of the Madison avenue work as originally planned can be completed this year.

The meeting adjourned at 8:35 p.m. after a 30-minute session. Next regular meeting of the council is scheduled for Oct. 3 at the Madison city hall.

MORE ABOUT

War Memorial

(Continued from Page 1)

cepted by Park President Barry Loman.

A speakers stand is to be placed on the Niedringhaus avenue side of the triangular park. Worthen said all details are nearly completed, with sodding of the tract being carried out on nearly a round-the-clock basis. The project was accomplished jointly by the city, park district and War Memorial Association.

The park district taking care of the sodding and landscaping and the committee handling the construction of the \$14,000 fountain.

The funds were raised by veteran and civic groups through community projects.

The fountain, with its large basin, was tested recently after the basin was filled with water by Granite City firemen.

A variety of five different sprays, one shooting 20 feet in the air, completes a cycle of the fountain, which has pumps for recirculating the water. It also is to be illuminated with 10 lights for a variety of colors—red, blue, green and white.

GC Council Oks Sales Tax

(Continued from Page 1)

Agency was first discussed about two years ago and has been under study for the past few months by the Personnel committee, with Chairman Arthur Weizer presenting the ordinance to the council.

4 Eligible To Retire Several council members commented that the May 1, 1962, deadline might work a hardship on the city if any one department would lose many men, since it is likely younger men might be dismissed should the city cut back because of financial difficulties. City records show four men will be eligible for retirement next May. The city has the Illinois Municipal Retirement Fund program.

The two-year residency requirement will not be retroactive, council members said, and the requirement may be waived during summer months when temporary jobs are open in the sanitation department.

carry off water. The contract was awarded to the Diepholz Concrete Co. on a bid of \$238,400. W. H. Wolfe & Co. bid \$438,000.

A new floor and replacement of some electrical conduit beneath the 2800 students attending the completed earlier this summer.

Enrollment study figures show the city has 2800 students in the city, kindergarten through high school, in the district. The figure was compared with an enrollment of 2828 at the same time last year.

August salaries approved for payment by the board included \$32,148 for instruction, \$4883 for janitors, \$1155 for clerical, \$348 for health and \$153 for legal services.

Bills approved were \$1614 for the educational fund, \$1298 for the building fund and \$1764 for the school lunch fund, a total of \$4676.

A letter from the Madison Federation of Teachers, which expressed approval of the salary schedule for instructors recently adopted by the board, was read during the meeting.

The board granted permission for school secretaries to attend the annual meeting of the Illinois Association of Education Secretaries at Rockton, Ill., Oct. 13 and 14, and placed on file applications for custodian and school trustee official positions.

SIU To Purchase

(Continued from Page 1)

permanent power - production commitment."

Approval of the plan climaxed a long investigation of comparative costs between generated and purchased electricity in terms of capital investment, operational flexibility and other factors.

Engineers' Recommendation A breakdown of the 50,067 inhabitants of the 50,067 residents of this county in 1950 is as follows:

Age 45 to 54: 11,250; under 5 years of age: 4804 or 9.5% aged five to nine: 3843 or 7.6% aged 10 to 14: 3281 or 6.5% aged 15 to 19: 3540 or 7% aged 20 to 24: 4146 or 8.2% aged 25 to 29: 4086 or 8.1% aged 30 to 34: 3843 or 7.6% aged 35 to 39: 3489 or 6.9% aged 40 to 44: 3664 or 7.3% aged 45 to 54: 11,250 or 22.4% aged 55 to 64: 2730 or 5.4% aged 65 to 74: 1315 or 2.6% who were 75 years old or over.

By 1970, the 10-14, 15-19 and 20-24 age groups are expected to show increases, from 7.6% to 8.0%, from 6.5% to 7.8% and from 7.0% to 7.7%, respectively.

Also likely to rise are those 45 to 54, from 11.2% to 12.3%; 55-64, from 8.2% to 10.7%; 65 to 74, from 5.4% to 6.6%; and 75 and over, from 2.6% to 3.8%.

Meanwhile, the four-and-under age groups are expected to decline to 10.5% and 8.0% during the 20-year period, and the 25-29, 30-34, 35-39 and 40-44 groups to 6.6%, 6.0%, 5.3% and 5.7%.

85,000 Rural By 1970 Estimates for 1970 show 85,000 residents of the unincorporated sections, including 8925 under five years of age; 7650, aged 5-9; 15,900, 10-14; 6530, 15-19; 6545, 20-24; 5610, 25-29; 5100, 30-34; 4505, 35-39; 4845, 40-44;

Max H. Schreiber, 37, of 2107 Missouri avenue, and George C. Vincent, 39, Route 309, were charged with passing on the railroad crossing at 20th street today at 6:15 a.m. Vincent was charged with passing on the railroad crossing at 20th street today at 6:15 a.m. Vincent was charged with passing on the railroad crossing at 20th street today at 6:15 a.m.

His remains will lie in state at the Central Hotel, 301 Madison avenue, Madison, where funeral arrangements are incomplete.

MORE ABOUT

Hubcaps Stolen

(Continued from Page 1)

Two splinter-type hubcaps were stolen from a 1961 automobile belonging to Leroy Dunham, 204 West 20th street, who told police they were taken Monday night while the car was parked at his home.

10,455, 45-54; 9095, 55-64; 5610 65-74; and 3230, 75 and over. The latest projection of 1970 Madison county residents aged 75 and over by 1970 is nearly two and a half times the total of 1315 as of 1950.

Nameoki township is listed as having increased its unincorporated area population from 4627 in 1950 to 8693 in 1960, a gain of 87.9%. A further rise of 13,000 is anticipated by 1970.

Chouteau township's unincorporated area population rose 87.3% in 1950-60, from 2683 to 5024, and is expected to reach 7500 by 1970.

Sharp Venice Twp. Gain The non-city area of Venice township, totaling 470 people ten years ago, now stands at 1536, a sharp increase of 228.8%.

Meanwhile, the four-and-under age groups are expected to decline to 10.5% and 8.0% during the 20-year period, and the 25-29, 30-34, 35-39 and 40-44 groups to 6.6%, 6.0%, 5.3% and 5.7%.

Representing 13.5% of the present county unincorporated population, Nameoki township garnered 23.1% of the past decade's growth. Chouteau, representing 7.8%, had 13.3% of the county's unincorporated growth, while Venice township, representing 2.4%, enjoyed 6.1% of the growth.

Handicraft Club Plans Party

(Continued from Page 1)

The Handicraft club meeting the first of the fall, was held in the home of Mrs. Katie Fedora on Idaho street.

The birthday of one of the members, Mrs. Frances Vio, was celebrated and she was presented with gifts from the members.

Plans are underway by the group for a dinner party Oct. 12 in St. Louis to take the place of the regular meeting. Mrs. Kadane, 2947 Madison avenue, will be hostess to the club Nov. 12.

Present at last night's meeting were Mesdames Anna Mega, Mary Bridick, Vivid, Alex Seve, Gladys Skubish, Kadane, Vivienne Danco, Sue Pedicars, Prizes were won by Mrs. Kadane and Mrs. Mega.

MORE ABOUT

Party Honors Karen Smith

(Continued from Page 1)

Mr. and Mrs. Raymond K. Smith, 2106 Woodlawn avenue, entertained guests at a birthday party last night for their daughter, Karen Jean, who was six years old.

Fifteen in the games were won by Patti Line, Pamela Clark and Laura Merz. Others present were Pamela Smith, Cindy Stagg, Elaine Riedel, Patti Bader, Janet Shanta, Michele Brian and David Smith, the honoree and her grandparents, Mr. and Mrs. Leonard Atkins.

Regular School Construction Saves Cost Of Bond Interest

The partial "pay as you go" program for classroom construction makes exceptionally good sense in a district such as Granite City, burdened financially by an unrelenting increase in its pupil population.

With ten new rooms just being occupied and ten more scheduled to be built, the school system is progressing at a pace that can meet at least half of its yearly enrollment gain. This does not eliminate future bond issues and their high interest costs, but it does enable them to be deferred.

The goal of getting full value for each construction dollar harmonizes well with another school district practice of keeping idle funds invested at interest until they are needed. This has reached the point where it offsets tax anticipation warrant costs in 1960-61. By continuing to reduce the educational fund debt and its interest costs, and maintaining the investment policy, the district can increase the \$358 "profit" of last year.

Competition for funds is intense in the \$6,000,000-a-year operation, as evidenced by last week's decision to avoid non-school sidewalk costs despite a new enabling law. Continued provision for construction of facilities and debt retirement, as well as allowing for other school needs, will be a difficult but important test of the board and administration.

Transit Study Can Help Assure Adequate Service Here In Future

If an area-wide transit system is our destiny—and it increasingly appears that way—a full study of the needs can help assure that future service will be adequate. With the other \$95,000 of the \$100,000 cost already pledged in St. Louis, St. Louis county, Alton, East St. Louis and Belleville, there is general hope that the city of Granite City or the Community Coach Co. will raise the \$5000 that has been requested.

Popularity of autos and rising costs have forced transportation service into non-taxpaying public ownership in many metropolitan areas, due to simple economics. The tax saving has enabled service to be continued on a basis approximating that of past years, rather than being drastically curtailed, or even abandoned, in some areas.

There always will be need for bus routes through the Quad-Cities, and the joint system appears to offer the best hope for permanent service. The proposal has enough merit, at any rate, to justify the preparation of a formal study.

Evidence Is Growing On How Zoning Lack Retards Growth

Prosperity, no longer still waiting around the corner, has come to Madison county in many respects. But it could be enhanced and stabilized by county zoning—subject of hearings throughout the county this fall. This is made clear in a detailed report on the county's economic outlook completed this year.

Although there has been rapid growth, most of it has been generated by the existing population. The net gain from migration, 18.2% during the past decade, is well below the 28.5% average for all metropolitan areas in Illinois and far below such counties as Winnebago, with 48.5% immigration. Just how many people have delayed moving here due to lack of land use rules, which protect property values, would be difficult to say; experience elsewhere indicates that it might be a substantial number.

Even more directly affected by lack of county zoning are industries, which think twice before

locating a new plant where their investment cannot be safeguarded nor room to grow assured. And there is a clear link between a community's attractiveness to growth and its residents' pocketbooks—through job opportunities, income level, tax assessment base and general economic activity.

With the planning report also noting that population changes will alter present housing, recreation and other needs, there is massive evidence that Madison county cannot attain its maximum potential if it merely "grows like Topsy." Objective planning and land use controls are essential.

Lighting Of War Memorial Fountain Eagerly Awaited

It is with eager anticipation that this community awaits next Monday evening, when the lights will be turned on for the first time at the new war memorial fountain in Memorial Park, opposite St. Elizabeth Hospital. The permanent display is expected to add simple yet striking beauty to the triangular park.

As a symbol of gratitude to the war dead of Granite City, the fountain and its multi-hued spray will represent the peace, harmony and traditions of the American way of life which the armed forces fought to maintain. It will be a daily and nightly reminder that their efforts were successful, their cause not in vain.

The Granite City War Memorial Committee, park district and city deserve appreciation for their part in the memorial project, for the fountain, its dedicatory plaque and surrounding landscaping and sidewalks are an asset to the Quad-Cities. With lights of five colors adding to the effect of the white fountain and walks and the green lawn, shrubs and trees, an unusual and outstanding visual display should result.

Hope For State Action This Year On County Tax Squeeze

There is widespread hope that Madison county's major tax problem will be given consideration when the state legislature reconvenes next month to act on Congressional reapportionment, state revenue authority and other matters. The financial squeeze on the county, also felt to a lesser extent by other counties, is harmful to taxpayers and county officials and employees alike and should be eased by new legislation.

The state Supreme Court ruling causing the county to revert to its maximum general tax rate of a decade ago has brought about such a sharp loss in anticipated revenue that both the county government and public are adversely affected. Belt-tightening has been so severe that needed expenditures have had to be deferred indefinitely. It would be extremely difficult to plan the 1962 budget under existing conditions.

Tax rate limits are in order, but in this case the county's population and services have increased to the point where an unexpected cutback of nearly half of the general tax is too disruptive. A new law clarifying the county's authority would solve the problem and should be enacted. No new tax is involved—only a tax already being paid and necessary to keep the county operating "in the black."

Granite City PRESS-RECORD

Pfc Edgar McCormick
In Support Maneuvers

Pfc Edgar W. McCormick, 19, son of Mr. and Mrs. Eugene A. McCormick of 1313 Madison avenue, Madison, recently participated in maneuvers providing

support for Army reserve and National Guard units during their summer training at Camp McCoy, Wis.

A fireman in Co. A, 121st Signal Battalion, which is regularly located at Fort Riley, Kan., McCormick entered the Army in January 1959. He attended Granite City high school.

ORCHID LOUNGE — PIZZAS

Your Governor Reports by OTTO KERNER

The Board of Economic Development functions as the state liaison agent for the Illinois community and the federal government.

Generally not known perhaps, is that a community, planning developments of housing projects, water conservation for industrial or recreational use, or planning availability of a site for a new factory, can obtain federal funds for such planning. The federal government will supply as much as two-thirds the cost of such plans for any approved project. In certain designated critical areas, it will pay three-fourths of the cost of such plans.

The Board of Economic Development is the one and only federal contact that communities have available for this help, and I again urge community leaders to get in contact with Victor de Grazia, executive director through any of his three offices in Chicago, Springfield or Herrin.

Adequate recreational areas and airport facilities are becoming more important to the industrial firm when considering the location of a new plant. Availability of a labor supply is a prime consideration. In formulating plans for such development or making a labor survey, a community can obtain valuable help from the Board of Economic Development.

One of the best examples of how the board's function will

benefit an area is its activity on the Rend Lake project. I signed into law a bill appropriating \$1 million for the planning and acquisition of land for Rend Lake in Franklin and Jefferson counties. The lake, when completed, will cover 25,000 acres and contain 90 billion gallons of water.

Franklin is a critical county in the state with 36% of employable people out of work. What makes this fact more tragic is that several large financially responsible companies have indicated a desire to locate plants there, only to abandon the idea because of the lack of water resource. Rend Lake can be a positive cure of these economic ills, not only in Franklin county, but in many nearby counties.

I have asked the Board of Economic Development to expedite this project by seeking approval under the Area-Redevelopment Act. This is an emergency measure which can effect a quicker completion, than if it had to go through other federal agencies.

Rend Lake is but one of several developments designed to aid the depressed Southern Illinois area. In future weeks, I will report on other major developments.

The secret of why some people can't keep a secret is out—they keep it in loose-lip form.

SOCIETY

Miss Spainhower,
Larry Rudder
Are Engaged

Announcement is made by Mr. and Mrs. Leslie J. Spainhower, 6206 State street, East St. Louis, of the engagement of their daughter, Miss Jeanette Spainhower, to Larry D. Rudder, son of Mr. and Mrs. C. Luther Rudder, 2920 Harding avenue.

The bride-elect graduated from Berean Christian academy in the Belgian Congo, Africa, where she lived for four years with her missionary parents.

Mr. Rudder graduated from the Granite City high school. He also attended the Alton Residence Center of Southern Illinois University and a summer session at Wheaton College in Wheaton, Ill. At present he is studying for the ministry at Covenant College, St. Louis.

Nameki PTA Discusses Year's Theme, Projects

The Nameki PTA held its first regular meeting of the 1961-62 season Tuesday evening at the school, with Donald Kopp, president, in charge of the meeting. The theme for the year and coming projects were discussed.

Fred Rehagen, vice-president, read the PTA prayer and the treasurer, Edward Lurton, reported on the budget for the coming year.

Kopp explained that the two major projects for the first half of the school term are the magazines sale, which will continue until Sept. 27 for the fifth and sixth grade students, and a fish fry set for Oct. 5-6 on the parking lot by the school, which will be carry-out service and delivery service by parents.

The president also explained the theme of this year's programs, "Know Your School." Tuesday evening's program was "Know Your Child's Teacher," and Russell Robbins, principal, introduced the teaching staff and the PTA board members.

Bob Roger led the audience in singing several old songs, and the prize for having the highest percentage of parents attending the meeting was awarded to Mrs. Beverly Foote's first grade room.

Refreshments were served in the cafeteria by the room mothers under the leadership of Mrs. Twila McKinney, chairman of the room mothers' group. The next regular meeting will be at 7:30 p. m., Oct. 17 in the auditorium.

Central Christian CWF Meets

Group Two of the Christian Women's Fellowship of Central Christian Church, 2020 Johnson road, met Wednesday afternoon in the home of Mrs. Betty Osburn, 2335 East 8th street.

During the business hour a letter was read from a former member, Mrs. Ruby Bartley, who is now in Germany, and plans were made for visits to shuttles. The formation of a bowling league in the church was discussed, as was the collection of nylon hose to be sent to Korean widows.

Mrs. Beth Spengler gave the lesson study on the topic, "New Times Require New Spirit," and the names of prayer partners were drawn. The meeting closed with devotion by Mrs. Hovest and plans for the next meeting in the home of Mrs. Vivian Meadows on Grand avenue.

First GC Jr. Service Club Meeting Of Fall

Mrs. Oliver Jacobsmeyer, president of the Granite City Junior Service club, conducted the first meeting of the fall season Monday evening at the Elks club.

Reports were given by Miss Margie Greendowner on the "guest night" and card party held during the summer months, by Mrs. Eugene Frith on a fish fry, Mrs. Paul Morris on social service cases and Mrs. Kenneth Rapp on a tour of a St. Louis brewery.

Mrs. Marvin Fitzpatrick, chairman of the " flea market" to be held Oct. 7, asked members to donate articles to the market, which will be held on the parking lot of the Granite City Trust and Savings Bank, behind the Washington theatre.

A white elephant sale was held and the evening's hostesses, Miss Greendowner, Miss Flora Mae Lensing and Miss Mary Siebert, served a late dessert course to the other members attending the meeting.

They were Miss Juanita Bell, Miss Grace Costello, Mrs. Fitzpatrick, Mrs. Frith, Mrs. Jacobsmeyer, Miss Virginia Judd, chairman of the evening's prize, Mrs. Kiril Kirchoff, Mrs. Rapp, Mrs. John Schaffner and Mrs. Ted Vrenick.

The board will meet Oct. 9 at the home of Mrs. Vrenick, 334 Cottage avenue, and the regular meeting will be Oct. 18 at the Elks club.

Scouting Topic As Lake School PTA Resumes

Scouting was the major topic Monday evening at the September meeting of the Lake school Parent-Teacher Association, held in the school's all-purpose room.

The meeting was opened with a prayer and the pledge of allegiance to the flag. New membership cards were distributed, and dues collected.

The school's new principal, Arthur Menendez, introduced the teachers. The president, Mrs. Lorraine Bischoff, conducted the business session.

Mrs. Catherine Butkovich and Eleanor Bonatt reported on the May meeting. A balance of \$12 was carried over from last year after expenses of the annual school picnic were deducted.

Mrs. Lucille Caban reported on a "harvest festival" that is being planned.

Guest speakers were Mrs. Elsie Rodell and Dan Brown. Mrs. Rodell spoke on girl scouting and the importance of scouting to growing girls. Brown's district executive gave a short talk on cub scouts and presented a film.

The attendance banner was awarded to Mrs. Irene Stocker's third and fourth grade class and Edward Meng's sixth grade class. A suggestion was made for each class to have the banner for two weeks.

Announcement was made that Tuesday is to be "thrift savings stamp day."

The meeting adjourned to a social hour, with refreshments served to approximately 40 persons.

ATTEND COUNTY HOME ECONOMICS MEETING

Several members of the home economics department of the Granite City high school, including Mrs. Frances Statton and Ed McConkey, counselors, and Miss Barbara Downing, Mrs. Mary Kevin and Miss Ella Chlin, classroom, teacher, attended a meeting in Edwardsville Monday evening sponsored by the Madison County Home Economists in Homemaking.

A buffet dinner at 6:30 preceded the meeting in the Edwardsville school attended by 70 Madison County administrators, counselors, homemaking teachers, and graduate economists.

The speaker was Miss Lora Stone, head of the Lora Stone Home Economics Association in St. Louis. Miss Stone emphasized the vast scope of home economics positions open to men and women today and employment in the areas of home economics, including research, food technology, journalism, applied arts, nursing, family economics and many other fields.

SAVE AS NEVER BEFORE... FREDMAN BROS.

BUYS - OUT

FRISCO R.R. WAREHOUSE

STOCK OF BROWN WOLFSON CO.

This complete stock plus thousands of dollars in furniture, carpeting, bedding, appliances from our big central warehouse, all first quality.

Goes On Sale Today and Tomorrow!

SELL-OUT PRICES!

FREDMAN BROS. Furn. Co.

Delmar and Niedringhaus, Granite City, Ill. — Make No Mistake —

Prices Guaranteed Lower!

Than Usual Month-End Clearance Sale Prices, Warehouse Sale Prices, Factory Closeout Prices.

HERE ARE THE FACTS!

You, the homemaker, are constantly besieged with invitations to buy merchandise from many business establishments. All legitimate merchants attempt to compete for your dollars with the best possible values they can find for you. Most, if not all, of the values you are offered from day to day are authentic in every way and represent real savings for you!

However, every once in a great while a condition arises that makes it possible for a merchant to offer values far beyond the usual! This condition recently arose when a St. Louis distributor was formed to give up his warehouse location and liquidate his entire wholesale stock. Because of the buying power of the 15 store Fredman Bros. chain we were in a position to pick up this stock at a fantastic price. This is all current first quality merchandise and would have been considered good values at its regular price. At this closeout price the values are almost unheard of today.

Now, rather than hold this merchandise and sell it normally at its current market value, we have orders from our main office, regardless of the higher value of this merchandise, to mark down every single article and pass these savings directly on to the public. We have augmented this stock with our own Quality Furniture to complete selections in every department of our big store and cut prices as never before. We believe that you, the homemaker of the Quad-City area have been awaiting such an opportunity to save and here it is. A sale with a reason . . . not an excuse.

SOCIETY

Mrs. McKittrick
Is Club Hostess

Activities for the season were resumed this week by the Past Chief's Association of Pythian Sisters at a meeting in the home of Mrs. Ella McKittrick, 2221 Iowa street. Assisting the hostess was Mrs. Lillian Chepley. The members assembled for a 12:30 luncheon, followed by the business session conducted by Mrs. Nell Hutchison, president. Thirteen responded to roll call and the latter part of the evening was spent at games with awards going to Mrs. Elanor Foster, Mrs. Fern Eggle, Mrs. Magdalena Dick and Mrs. Ida Crain. The club will meet again Oct. 17 at the Grand Cafe with Mrs. Nettie Conary and Mrs. Evelyn Massey as hostesses.

FORMER RESIDENT HERE

Mrs. Amanda Studebaker of Cincinnati, O., formerly of Madison, is a guest in the home of Mr. and Mrs. C. W. Signaio, 2965 Lynch avenue.

GO TO CHURCH SUNDAY

60 New Members

Join Marshall
School PTA

A meeting of the Marshall school PTA was held Monday evening with 150 present, including 60 new members.

Elmer Stille, president, who was in charge, opened the meeting and after the PTA prayer by George Moore, introduced the new officers and chairmen of the various committees.

James Hasty submitted the report of the budget and finance committee which was accepted and there was discussion of the Savings Stamp program to be continued this year under the direction of Mrs. Phyllis Wiggins. A delegate will be sent to the district convention in Edwardsville Sept. 29 and a committee was appointed to study the by-laws and revise if necessary. George Moore will be in charge, assisted by Mrs. Kathleen Tadlock.

Mrs. Danny Kappel's morning kindergarten group received the attendance award and Miss Mary Hopkins introduced the faculty members for the year.

ORCHID LOUNGE — PIZZAS

"Flea Market" ITEMS collected by members of the Granite City Junior Service Club for their fourth annual sale. Oct. 7 are looked over by, left to right — Mrs. Bernice Fitzpatrick, chairman of the event; Mrs. Thelma Jacobsmeyer, club president; Mrs. Marabeth McConnell; Mrs. Mary Schaffner; and Mrs. Eva Burns, all members of the club.

GCS Women's Group Meets

The Women's Association of the Granite City Steel Co. held the first meeting of the autumn season Tuesday evening in the plant cafeteria.

Ruth Rami, president, was in charge and welcomed several new members. Approximately 70 were present.

Everly Foydack served as chairman of the program and presented a St. Louis furrier whose coats, capes and stoles were modeled by the club members.

The dinner tables were attractively decorated and the head table held a large floral arrangement. Favors were mini cups representing fur muffs.

Serving as models were the following: Bethel Davis, Dorothy Barnes, Gladys Windsor, Sara Emerich, June Baumann, Virginia Stices, Beverly Scroggins, Wanda Manogian, Jacquie Rags, Ann Oettle, Ruth Huxel, Bernice Lubbart, Hazel Scherz, Shirley Holson and Helen Bischoff.

Prizes were won by Elsie Hawks and Mary Selph.

Jr. Service Club Planning Fourth 'Flea Market'

Needy children will be the beneficiaries when the Granite City Junior Service Club holds its fourth annual "Flea Market" on the Granite City Trust & Savings Bank's downtown parking lot on Oct. 7.

"A variety of good used articles will be featured, and everyone who attends should find something which will take his eye at a nominal price," Mrs. Bernice Fitzpatrick, chairman of the event, said today.

Committee chairmen have been named, and work on the project is well underway, Mrs. Fitzpatrick said.

She said the public is invited to donate any good used articles for sale at the "Flea Market." Persons with items to contribute may call Mrs. Fitzpatrick or Mrs. Thelma Jacobsmeyer, president of the Junior Service Club, and arrangements will be made for a club member to pick them up.

All proceeds of the sale will be used to further the club's charitable activities — such as providing eyeglasses, dental care and clothing for needy children. Committee chairmen who will aid in collection of articles for the "Flea Market" are Mrs. Olga McMurtry, chairman, pots and pans; Mrs. Peggy Komodina; Mrs. Jean Ann Vrenick, furniture, records, pictures and books; Mrs. Ruth Knecht, appliances; Mrs. Norma McKee, linens; and Miss Mary Siebert, knick-knacks.

ENTERTAINING GUESTS
Mr. and Mrs. James C. Keller, 3217 Davis avenue, have as their guests the latter's brother and sister-in-law, Mr. and Mrs. Carl Thompson of Minot, S. D. Mrs. Keller has just returned from Birmingham, Ala., where she visited relatives.

GAY GABBERS CLUB HOLDS MEETING

The first fall meeting of the Gay Gabbers birthday club was held Wednesday afternoon in the home of Mrs. Bonnie Lazenby, of Wayne avenue.

The birthday of Mrs. Betty Welsh was celebrated and prizes were awarded to Mrs. Margaret Phipps, Mrs. Elsie Unger and Mrs. Phyllis Wiger.

Others present were Mrs. Vivian Davis and Mrs. Dorothea Rivenburgh.

The October meeting will be with Mrs. Welsh, 2825 Dogwood drive.

Protestant Welfare Honors Rev. Gregg

Rev. Mason Gregg, credited with calling the first planning meeting that led to establishment of the Protestant Welfare Association, was honored by the group at its monthly session held Tuesday night at the Church of the Nazarene.

Former pastor of the Central Christian Church, Rev. Gregg now resides in Florida and is visiting here. He was presented with a gift by Charles Reimers, past treasurer, acting on behalf of the Protestant Welfare board of directors.

An August report showed that expenditures and allocations for food, rent, clothing, medical costs and other relief categories totaled \$1483. The budget calls for monthly disbursements of about \$1000, and the aid program has expanded in recent weeks, it was noted.

In addition to Rev. Gregg, Harry Kirby was a guest at the meeting. His wife, Mrs. Marian Kirby, director of the Coordinated Youth Services, was guest speaker, explaining the activities and history of the CVS program. A talk on the local mental health clinic had been heard by the board during the summer and similar topics are planned for future meetings.

Rev. Robert Beatty, host pastor, gave a devotion entitled "Blessings of Health." Thirty-two attended. The next meeting will be Oct. 17 at Hope Lutheran Church.

STUDY OF AFRICA

BY SUNDEAN GIKUPS
A "recap study" of Africa was held Tuesday afternoon as World Friends and Dick Miller Sunbeams met at Second Baptist Church. Puppets, miniature animals and drawings were made, and Mrs. Betty Lewis led singing and prayer and reported on Southern Baptist missionaries in Africa.

Bible verses were repeated, a state mission offering was discussed and prayer was given by Mrs. Julia Penrod, Debbie Laswell, Allen Newberry and Frances Welty. Mrs. Penrod told of a special program to be held next week, and it was decided to invite counselors of the Royal Ambassadors and Junior Girls' Auxiliary.

Others present were Lana Lupardus, Brenda and Connie Rose, Elaine Barrett, Elaine Travis, Sherry Morgan, Mike Bellman, Nicki Tooley, Joyce Baden, Bobby McCord, Corby Burnett, David Freeman, Joe Lewis, Bruce Freeman, Susan Anderson, Mary Tooley, Dwight Grizard and visitors, Dale Cann, Glenda Wells and Danny Bugg.

TRAINING UNION

DISCUSSES PLANS
The Second Baptist Church Training Union held a monthly executive and planning meeting Sunday evening, prior to the Training Union hour. Those in charge were Bob Lewis and Frank Lampton, newly-elected director and associate director. Plans were made for a visitation day, a study of Training Union manuals and an installation service. It was announced that an unusual business meeting and associational Training Union conference will be held at the church from 7 to 9 p.m. ext. Monday, Sept. 23.

Separate departmental planning meetings were held. Forty-one attended, and prayers were given by Jesse Welty and Jim Smith.

HARVELL FAMILY

HOLDS REUNION
The Harvell family — including seven brothers and four sisters who had not met in 21 years — held a reunion during the weekend at the Jonesboro, Ill., conservation area.

Those attending from here were Mr. and Mrs. James Harvell, 1808 Poplar street, and Mrs. Ethel Blackston of Granite City. Harvell and Mrs. Blackston were among the group of 11 brothers and sisters, as was Elmer Harvell of Florida, a former Granite City resident.

A total of 106 relatives attended. The group ranged in age from two weeks to 91 years.

KINDERGARTEN PARENTS

MEET AT LOGAN SCHOOL
Parents of kindergarten pupils of Logan grade school met at the school Tuesday evening. A discussion was held on the kindergarten program, including aims, goals and plans for the year.

The discussion was led by Mrs. Charlotte Price, kindergarten teacher, and Mrs. Eva Meier, principal. Coffee and cookies were served to 70 parents.

Mr. and Mrs. James Harvell, 1808 Poplar street, had as guests in their home two of Harvell's brothers, Fred Harvell of Portland, Ore., and Elmer Harvell of Florida. The visitors left Sunday after a ten-day stay.

Logan School Monthly

PTA Meeting Tonight
The Logan grade school PTA will hold its September meeting tonight at 7:30 with a get-acquainted program planned. The president, Dean Oliver, will introduce the teachers.

A discussion on the new budget will be held and refreshments will be served by the executive board.

Paul Ziegler Named Jaycee of the Month

Paul Ziegler was selected "Jaycee of the Month" last night at the regular dinner meeting of the Granite City Jaycees held at the Big Top Bowl in the 300 Room. Announcement of the award was made by President Jerry McPherson.

Ziegler is the third such recipient of the award that was started this year. Other winners have been Robert Swiatek and Boyd Frealey.

In the business meeting, members discussed renting a bus for the district meeting Sept. 30 at Salem and 20 members and their wives registered for the trip. The Salem meeting also will include a dinner and dance.

Plans also were made to attend a state meeting in Decatur, Oct. 6-8, where the local group will make its bid for the state bowling tournament held next year. Twenty-one members and their wives plan to make the Decatur trip.

THE TOUCH
Allowances have to be made for some college students, and it's up to dad to do it—weekly.

IT PAYS TO ADVERTISE

Lucian L. Voss, USN, In West Coast Fleet Visit

Lucian L. Voss, boilerman second class, USN, son of Mr. and Mrs. Parris R. Voss of 2700 Denver street, participated in a "fleet visit" to San Francisco aboard the destroyer USS Truxton, First Fleet, last week.

During the visit, ships of the fleet were open to the public. Leading the fleet was the flag-ship USS Oklahoma City, a guided missile light cruiser. Similar visits are planned for every major port on the west coast.

Max C. Hester Serving Aboard The USS Courtney

Max C. Hester, chief storekeeper, USN, is serving in the Atlantic aboard the escort vessel USS Courtney, operating out of Newport, R. I. He is the son of Mrs. Gladys Gregory, 1628 Fourth street, Madison.

The USS Courtney is participating in joint anti-submarine operations with eight South American nations on both sides of the Panama Canal.

PHIBEEAN CLASS OFFICERS INSTALLED

Installation of class officers for the Phibeean Sunday school class of the First Baptist Church was held Tuesday evening in the educational building of the church. The meeting was opened with the devotional, "Perfect Guide Book," by Mrs. Al Barthe.

Mrs. Ralph Rideout, installing officer for the event, read the names of the officers and a chain was formed by the group. Those installed were Mrs. Kenneth McDaniel, class teacher; Mrs. Opal Fogle, substitute teacher; Mrs. Ralph Beck, president; Mrs. Edna Bolin, vice-

LIVE AND LET LIVE

president; and Mrs. Lucy Bond, group captain. The secretary-treasurer, Mrs. Earl Stanfill, and group captains, Mrs. Margaret Lee and Mrs. Anis Jones, were unable to attend the meeting but will assume the duties of their offices at the next meeting.

The hostess, Mrs. Rideout, served refreshments to the assistance of Mrs. Barthe to those mentioned and Mrs. Chester McManaway, Mrs. Percy Brown, Mrs. Edna Lively, Mrs. Wayne Walton and Mrs. William Hannebrink. Mrs. Stanfill and Mrs. Fogle will be hostesses to the class on Oct. 17.

UNDERGOES OPERATION
Mrs. Helen Knezevich, 903 Alton avenue, is now a patient at St. Joseph's Hospital in Alton, where she submitted to a foot operation Monday morning.

LADIES GROUP MEETS

Mrs. Margaret Michels, president of the Madison Ladies' City Organization, led a business meeting of the club Monday evening at the Sportsman's club.

A short business meeting was held, at which time Mrs. Berna-

dine Asperger was welcomed into the organization. A social time followed the meeting, and Mrs. Louise Lewis was hostess for the month.

Mrs. Steve Maeras, a member of the organization, is a patient in the hospital, it was announced. Cards have been sent by the members.

Refreshments were served to Mrs. Marie Stawer, Mrs. Mary Hlava, Mrs. Veronika Kula, Mrs. Ann Blazczak, Mrs. Sally Bosworth, Mrs. Helen Geroff, Mrs. Julia Voloski, Mrs. Hilda Gravel, Mrs. Sally Maeras, Mrs. Sarah Durko, Mrs. Violet Bader, Mrs. Maxine Casloff, Mrs. Sadie Wojcik, Mrs. Juanita Brown and Mrs. Michels. The next meeting is to be held Oct. 16.

RETURNS TO SCHOOL

Miss Judy Brown returned Monday to Carbondale to enter her senior year at Southern Illinois University. Miss Brown is the past president and now secretary of Thompson Point, where she resides. Her parents, Supt. and Mrs. Wm. Brown of Madison, accompanied their daughter to the university.

Granite City PRESS-RECORD

FIFTH BIRTHDAY

The fifth birthday of Bobby Joe Schall was observed Tuesday evening with a party held in the home of his parents, Mr. and Mrs. John Schall, 811 Lee avenue.

Many gifts were presented to the honoree upon arrival of the guests, who included Eileen, John, Diane and Bobby. Frankie Schall, Rommie, Janice, Jimmy and Caroline Warchol, Mrs. Ed Warchol, Mrs. George Body, Mrs. Anthony Schall Jr. and Mrs. Al Warchol; grandparents of the honored guest, Mr. and Mrs. Joseph Budosh and Mrs. Anthony Schall Sr.; and his great-grandmother, Mrs. Rose Budosh.

A circus theme was used in the cake decorations, and each guest received a clown hat.

SOCIETY

Norwood-Dusek Betrothal

Announcement is made by Mr. and Mrs. Grover J. Norwood, 2730 Iowa street, of the engagement of their daughter, Miss Brenda Lee Norwood, to Jerry L. Dusek, a son of Mrs. Joseph J. Dusek, 925 Washington avenue, Madison, and the late Mr. Dusek.

The bride-to-be is a graduate of the Granite City high school and is employed in the accounting department of Rothman Inc. Mr. Dusek graduated from the Madison schools and Illinois State Normal University. He is employed as a work coordinator for the St. Louis Board of Education.

Dining, Reading Explained At Frohardt PTA

The first regular meeting of the fall season of the Frohardt grade school PTA was held Tuesday evening in the auditorium of the school, with Homer Johnson, president, presiding over the meeting, which was attended by approximately 150 people.

Mrs. Mary Josephine Johnson, PTA secretary, presided over the PTA prayer, and the colors were posted by Boy Scout Troop 13, which led the pledge of allegiance. This year, Boy Scouts and Girl Scouts will alternate monthly in posting the colors and leading the pledge.

Johnson introduced the other PTA officers: Ralph Reeder, vice-president; Mrs. Joe Ann Kallert, secretary; and John Gagich, treasurer.

Harry Marshall, school principal, introduced the teachers, of which 98% were present, and then commented on the changes made in the school building during the summer.

He reported that two classrooms had been made out of the cafeteria area, and that the children will now use the cafeteria for gym or for the eating area, while the kitchen remains the same.

For the parents who were not familiar with the room arrangements, he explained that the auditorium is just across the corridor from the kitchen.

The chairman of committees were introduced by Johnson: Don Jolly will head the ways and means committee; Reeder the program committee; Mrs. Deloris Lyons the room mothers; Mrs. Dorothy Wallace magazine sales; Mrs. Betty Vosses hospitality; Mrs. Elsie Rodell parliamentary and the yearbook committee; Mrs. Alice Worthen scholarship; Mrs. William Corzilius the Girl Scouts; Mrs. Lulu Mills health; Mrs. Lois Haynes parent education; Mrs. Norma Rains membership; Mrs. Lorraine Boushards savings stamp; Mrs. Irene legislation; Bill Snedcor safety; Mrs. Margaret Pehn publicity and Joe Arico, the Boy Scout committee.

Jolly announced that the PTA will hold a fall festival on Oct. 19, and Johnson announced that the annual fall conference for District 29 will be held Sept. 29 at the Edwardsville Junior high school. He also reported that Frohardt will be host to a training workshop for PTA officers and chairmen of the Granite City school district on Oct. 5.

Mrs. Guy Lehr was the evening's speaker and her topic was "Remedial Reading." She explained the program for the Granite City school district, and Principal Marshall spoke on the reading program as it is practiced at Frohardt.

Tomorrow, the PTA will be host to a "get-together coffee" from 2 p.m. to 3:30 p.m. at the school. This is for all the new families in the school zone, and will allow the parents to meet with the principal and teachers and learn the purposes of PTA.

The first grade room of Mrs. Agnes Frenytsko was awarded a prize for having the largest percentage of parents attending the meeting.

The executive board served refreshments after the meeting. The next regular meeting will be Oct. 17 at 7:30 p.m. at the school.

PARTY FOR KARDETTES CLUB
Mrs. Wenona Kibort, 2124 Miracle avenue, entertained her club, the Kardettes, last night. A buffet supper was served and prizes were awarded to Mrs. Betty Papp, Mrs. Ernest Jalkich, Mrs. Barbara Nemeth and Mrs. Helen Todoroff.

The next meeting will be held Oct. 18 in the home of Mrs. Jalkich, 2233 Waterman avenue.

RETURN FROM NORTH
Mr. and Mrs. Ben Olive, 701 Kirkpatrick, returned from a two-day trip to Detroit, Mich., where they spent the past week with their son and daughter-in-law, Mr. and Mrs. Ben Olive Jr. They were accompanied home by Mr. and Mrs. Albert Worthington and son, Herbert, who were en route to Miami, Fla., from Michigan where they reside during the summer.

Page 22 Thurs., Sept. 21, 1961

MISS JANICE SUE COGAN, whose engagement to John W. Bero, a son of Mr. and Mrs. John Bero, 1731 Chestnut street, is announced by her parents, Mr. and Mrs. Paul Cogan of Alton.

Cogan-Bero Engagement

The Cogan-Bero engagement is announced by her parents, Mr. and Mrs. Paul Cogan, 925 Fountain street, Alton, are announcing the engagement and forthcoming marriage of their daughter, Janice Sue, to Walter Bero, a son of Mr. and Mrs. John Bero, 1731 Chestnut street.

The bride-elect, a 1959 graduate of Marquette high school, is employed in the payroll department at St. Joseph Hospital in Alton. Mr. Bero graduated from the local high school in 1957 and is a senior this year at Southern Illinois University. He is also employed by the Granite City Steel Co.

The wedding of the couple is planned for Nov. 4.

GUEST AT VASIL HOME
Mrs. Anna Nolan of Little Rock, Ark., a former Granite Cityan, is here for an extended visit with Mrs. Lora Vasil, 2116 Iowa street.

After the pledge to the flag and the PTA creed recited by the group the members and guests were welcomed and the new officers and chairmen of committees were presented. The officers are Mrs. Hamilton president; Mrs. Don Buer, vice-president; Mrs. Margaret Coe, recording secretary; Mrs. Violet Jeffers, corresponding secretary; and Ralph Monken, treasurer.

Serving as chairman of standing committees this year will be Mrs. C. Niesperek, ways and means; Mrs. Buer and Vasil, Georgeff program; Lee Reid, legislative; Mrs. Norris Mobley, health; Vasil Georgeff, safety; Mrs. Madeline Pope and Mrs. Maxine Buer, membership; Mrs. Bonnie Wickham and Mrs. Gloria Davis, hospitality; Mrs. Rosemary Lemons, savings stamps; Ralph Monken, year book; and Mrs. Monken, publicity.

Reports were given on various projects, including a tea Friday for the kindergarten mothers.

The budget for the year was presented and accepted, and a letter was read from a former principal at the school, Paul Wisch, who is in Greeley, Colo., studying for his masters degree.

Announcement was made of the district convention to be held in Edwardsville Friday at 7:30 p.m. and the area workshop Oct. 5 at 7:30 p.m. at Frohardt.

Lee Reid, the school principal, was introduced and he in turn introduced the school personnel. Mrs. Albion's fourth grade room was winner of the attendance banner and refreshments were served by the executive committee from a table centered with a large bowl of fruit.

B&PW Club Sees Space Travel Film
Miss Joe Leslie, national secretary, was in charge of the program last night at the monthly dinner meeting of the Quad-City Business and Professional Women's Club held at the Elbow Bowl. It consisted of a motion picture, "Journey Into Space," furnished by the McDonnell Aircraft Corp.

Mrs. Verna Lengyel, president, called the meeting to order and conducted the business discussion, the chief topics of which were the observance of Business Women's Week Oct. 1-7, and a dinner meeting in October to celebrate the 40th anniversary of the organization of the club.

Announcement was also made of a district meeting to take place in Edwardsville Oct. 8.

Mrs. Elvora Herran was a new member welcomed by the club and there was one guest present, Miss Helen Hanne.

BIRTHDAY DINNER
Mr. and Mrs. Sam Shone of Sunset drive, entertained with a birthday dinner last night for their daughter-in-law, Mrs. Don Shone.

Those present were Mr. and Mrs. Don Shone and their sons, Donny and David.

The first regular meeting of the council will be held Nov. 30 at 7:30 p.m. at McKinley school. Twelve were in attendance last night.

Altar Society Hears Report

The Sacred Heart Altar and Rosary Society held a monthly business meeting last night at the school.

Mrs. Augusta Lampe, president, opened the meeting with prayer and reports of the recent DCWY convention in Springfield were given by Mrs. Millie Baldasare and Mrs. Lampe, who were delegates from the local group.

Activities for the fall and winter were discussed and plans were made for a corporate Communion at 8 a.m. Sunday at the church.

After the closing prayer by Mrs. Lampe cake and coffee were served to 14 members.

Infant Christened

Daniel Robert Long, infant son of Mr. and Mrs. Robert Long, 2547 East 28th street, was christened this week at the Nameoki Methodist Church. The sponsors were Mr. and Mrs. Donald Shone.

BLEVIN'S HONORED ON SILVER ANNIVERSARY

Mr. and Mrs. Curtis Blevin celebrated their silver wedding anniversary Sunday evening at an open house at the Hungry Hall. They were honored by their three daughters, Miss Judy Blevin, Mrs. Ronald Dillard and Mrs. Charles Polley.

Pink and silver were the colors used in the hall decorations. A white and silver-decorated wedding cake was used as the centerpiece, and pink cut flowers surrounded the cake.

The members of the wedding party attended the celebration. They are Mrs. Minnie Sandweg, Mrs. Francis Chery, Ralph Hall and Roy Wood. The wedding was

Sept. 12, 1936, at St. Peter Evangelical and Reformed Church in Granite City.

Mrs. Blevin was formerly Miss Juanita Elmore, daughter of John Elmore, who attended the party. Also present were Mr. and Mrs. Robert Blevin, parents of Curtis Blevin.

Dancing to orchestra music was enjoyed later in the evening. Blevin owns the B & O Planning Mill on State street.

COOLIDGE PTA BOARD HOLDS FIRST MEETING

Richard A. Polley, vice-president, conducted the first meeting of the executive board of the Coolidge Junior high school PTA Monday evening in the all-purpose room of the school on Namack road.

The board discussed the possibility of sponsoring an Explorer scout post and a troop for Girl Scouts.

The first regular meeting

will be Monday, Sept. 25, will serve to introduce the teachers to the parents, Ralph F. Hardt, principal, will discuss the school curriculum. A member of the school board also is to be asked to speak to the parents.

Members present at the board meeting were Harold Hill, Lewis E. Sablin, David Cattle, Ted Todroff, Mrs. June Aerie, Mrs. Edva Mae Spieland, Charles Jungels, Mrs. Olivia Kunnemann, Mrs. Lois Haynes and David Whitell.

PTA MEETING WILL BEGIN AT 7:30 P. M.

in the all-purpose room.

FORMER RESIDENT HOME FROM HOSPITAL

Mrs. Charles Price of Roxana is recuperating from major surgery at her home. She was a patient at St. Elizabeth Hospital in Belleville for two weeks.

Mrs. Price is the former Miss Phyllis Widdows, daughter of Mr. and Mrs. Wilford Widdows.

LITTLE LEAGUE ELECTS HOLLIS AS PRESIDENT

The first fall meeting of the Nameoki Little League was held Monday evening at the Nameoki Presbyterian Church, with Kurt Merz, vice-president, in charge.

The annual election of officers was held, with Glenn Hollis elected president, Thurl Jones vice-president, Rev. Alfred Bullock player agent and Dale Reed, treasurer and secretary.

Marvin Wessell and Merz awarded trophies to the 18 members of the all-star team. Wessell and Benny Pickett were the team managers.

Debby Jackson, daughter of the past president, Don Jackson, was awarded a special trophy for her work in keeping scores during the past ball season.

Mrs. Estelle Rekowksi was given a standing ovation for her past five years as an officer in the Little League. She was president of the Auxiliary for two years and treasurer of the Little League for three years.

The next meeting will be announced by the new president at a later date.

MURPHY'S NAME SON

Mr. and Mrs. Bill Murphy, 2542 Spaulding avenue, have named their son, Scott Dean. He was born Sept. 16 at the Wood River township hospital and weighed six pounds, three ounces. They have two other children, Dona, three, and Kim, five.

Grandparents are Mrs. Gladys Murphy, Mr. and Mrs. Wiley Mills of Troy and Al Murphy.

MRS. KALIPS HOSTESS TO MRS. NINE CLUB

Mrs. Frank Kalips entertained the Mrs. Nine club Monday evening in her home, 3095 Jill avenue.

The group played pinchle, with Mrs. Martin Martincio, a

guest, winning first prize. Mrs. John Meehan second, and Mrs. Gerald Patterson, third prize.

A late dessert course was served by the hostess to the prize winners and Mrs. Harry Hornberger, a guest for the evening, and Mrs. Edgar Kayser, Mrs. James Noeth and Mrs. Gene Downey.

Mrs. Dell Tex has invited the club to meet with her on Oct. 16 at her home, 109 Ben Nevis road, Glasgow Village.

BUBBLEMASTERS HOLD TREASURE HUNT

A treasure hunt was held by the Bubblemasters Scuba Diving club of Granite City at Little Grassy Lake, near Carbondale, Sunday.

Prizes were won by Newt Kennedy, first; Ron Homyer, second; and Miss Linda LaVelle, third. After the diving, a picnic lunch was held.

Those attending besides the winners of the hunt were Mr. and Mrs. Bill Brannan and children, Billy and Terry, Mr. and Mrs. Rich Griffin, Mr. and Mrs. Carl Krohn, Mrs. Newt Kennedy, Mr. and Mrs. John Fornas, Mr. and Mrs. Jerry Moeman, Mr. and Mrs. Clifton Blasiernship and children, Jim and Joan, Al Mueller Jr., Miss Jinny McDonald and Earl Gates.

TROOP 24 SELECTS PATROL LEADERS

Girl Scout Troop 24, sponsored by the Nameoki Presbyterian Church, met at the church on Pentecost road Tuesday afternoon and selected new patrol leaders for the coming season.

Marilyn Bondegard and Nancy Benson were selected as leaders.

Scouts in Marilyn's patrol are Barbara Barton and Marie Bue. Those attending besides the

Nonn Calls For Names of Relief Recipients In GC

Town fund and relief bills totaling \$3765 were approved Monday night by Granite City council members in their capacity as the town board of auditors, but not without objection.

Alderman Walter Nonn called for a detailed report on relief of office expenditures, in the names of relief recipients and the amounts received as well as an accounting of the expenses of Supervisor Nelson Hagnauer.

Nonn's stand was challenged by Alderman Arthur Wenzel, who said the names of relief recipients should not be made public; but Nonn added that the data should be furnished only to council members. He pointed out that individuals could see city records and the same should apply to the relief office.

Meeting To Be Set

Finance Committee Chairman Paul Rutledge said the committee, mayor and city attorney are to meet with the supervisor and town attorney to arrange for more detailed accounting, and the results of the meeting would be reported to the council.

Relief disbursements approved Monday night totaled \$2738 and included \$1370 for food, \$271 for rent, room and board, \$533 for hospitalization and medical care, \$12 for clothing, \$153 for nursing home care, \$31 for fuel, \$300 half-month salary for two office workers, \$25 for sewerage travel and \$37 for janitor service.

Town fund disbursements totaled \$1007 and included \$717 salary payments to the supervisor, assessor, attorney and assessor office worker, \$50 travel for the assessor, \$30 travel for the assessor, \$20 per diem for the town clerk, \$68 telephone service for the assessor, \$28 supplies for the assessor, \$37 for equipment insurance and \$16 for janitor service.

To Work Out Fines

David L. Keel, 1619 Delmar avenue, and William H. Hayes, Rural Route One, both 18, pleaded guilty Tuesday morning before Police Magistrate Wesley Edwards, Harvey Miller, St. Louis, was assessed a total of \$75 in fines and costs on four charges — \$30 on petty larceny, \$20 on careless driving, \$20 on fictitious state license plates and \$5 on failing to obey police.

'62 Oldsmobile Unveiling Friday At Woodrome's

The 1962 Oldsmobile introduces a new styling motif, new highs in engine performance, and a new concept in product reliability, according to Bill Woodrome, local Oldsmobile dealer, 2261 Madison avenue.

Woodrome said the new 1962 Oldsmobile 88's, 98's, and Starfires feature a dramatic new styling silhouette with a longer, sportier look, outstanding engine performance and quality and reliability unmatched in Oldsmobile history. Display day for the unveiling of the new Oldsmobile is Friday.

"The fresh new profile," Woodrome said, "has been achieved through completely different front and rear styling, new fender lines, and new crisp roof designs."

"And," he added, "Oldsmobile's entire line is further enhanced by the exciting Starfire Coupe. Making its appearance for the first time, the Starfire Coupe will incorporate all the features that have made the Starfire Convertible so popular."

The Starfire Coupe is equipped with front bucket seats and a sports-type power console.

Telephone Changes Outlined For Kiwanis

George Maize, manager of the local Southwestern Bell Telephone Co. office, addressed the Granite City Kiwanis at their weekly meeting Monday evening at the Elks Club.

Maize, in explaining direct distance dialing, said that one and two-party customers in the Quad-City area will have the service around Oct. 15. He pointed out that the area presently has long distance dialing (people may dial the area direct) and out-dialing will be introduced to the area.

The Starfire Coupe is equipped with front bucket seats and a sports-type power console.

Giving a brief history of the telephone, Maize had equipment with him to aid him in his presentation. He showed those attending the new Bell transistor that will eventually take the place of the vacuum tube. The transistor, which requires no heat, takes less space and lasts much longer than the vacuum tube. However, he pointed out that there are still nine million vacuum tubes in use. He concluded with a question and answer period.

President William Herman, in the absence of President Harold F. Karandeff, presided at the meeting attended by 25 members.

During the business meeting club members discussed the plan to be conducted Friday and Saturday in the downtown and shopping center districts.

The sale is being made to increase club funds for club boys and girls' work and aid to the underprivileged children.

the first time, Oldsmobile's high capacity Dual-Range power heater is included as standard equipment on all 1962 F-85's, Dynamic 88's, Super 88's, 98's and Starfires.

"In line with Oldsmobile's concept of increased reliability," Woodrome said, "the 1962 Oldsmobile chassis, including front suspension, steering linkage, propeller shaft, generator, and distributor, will not need further lubrication under normal operating conditions."

"This is also true of the new tapered roller bearings, which replace the ball-type wheel bearings for greater durability in the full-size Oldsmobile for 1962," concluded Woodrome.

Greater distinction between all series of 1962 Oldsmobiles has also been achieved through the use of different molding treatment and identifying insignia, while interior trim designs and materials have been developed specifically for each New instrument panels also carry individual series identification.

Seventeen body types, 15 exterior colors and six harmonizing interior combinations are offered.

\$5,865,000 School Aid To County For 1960-61

George T. Wilkins, state superintendent of public instruction, said the state has approved \$5,865,000 in school aid for 1960-61.

Wilkins said this is the largest annual state aid reimbursement in the history of Illinois. It is an increase of \$1,000,000 over the amount certified for 1959-60.

The 1537 districts have received approximately \$80 million in school aid since 1959-60. This was based upon an estimated average daily attendance for the entire 1960-61 school year, and payments on this amount began Jan. 1, 1961.

The districts will receive the remainder of the corrected claim not later than January 1962. Districts are entitled to state reimbursement on the basis of average daily attendance of pupils. Each district operating a recognized elementary school, kindergarten through eighth grade, receives a flat grant of \$47 a pupil in average daily attendance; each district operating a high school, grades nine through 12, receives a flat grant of \$52 a pupil. In each instance, attendance for the best six months of the school year is used.

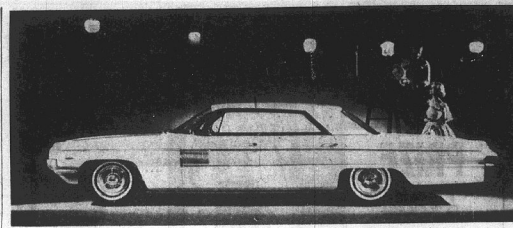

According to a formula established by the General Assembly, if financial resources of a local district received by levying the qualifying tax rate—54 cents in dual districts and 67 cents in unit districts—plus the flat grant do not produce a minimum state guarantee of \$252 a pupil in average daily attendance, the district receives special aid to bring the minimum support for each child to \$252.

Depot Lists \$1,336,000 Surplus Sale Oct. 5

The Granite City Consolidated Surplus Sales office, Granite City Engineer Depot, is conducting a spot bid sale of government surplus property at the Decatur Signal Depot, Decatur, on Oct. 5, at 10 a.m. This sale consists of automotive components, electronic equipment, radio interference filters, generators, photographic equipment components, switchboard sections, teletype equipment components, transformers, and other items of interest, acquired at a cost of \$1,336,000.

Inspection of this property will be between the hours of 9 a.m. to 3 p.m. until Oct. 5, exclusive of Saturdays, Sundays and holidays. Arrangements for inspection may be made by contacting the property disposal office, Decatur Signal Depot.

Sales brochures may be obtained by contacting the Consolidated Surplus Sales office, at the local depot.

SHOWN HERE FRIDAY at Woodrome Oldsmobile, Inc., 2261 Madison avenue, will be this new 1962 '98' Oldsmobile with its advanced roof styling. Under the hood of the '98' is the flashing 350-horsepower Skyrocket engine.

Sewer Repairs Total \$40,493 Of \$68,202 City Bill List

Sewer repairs accounted for \$40,493 of the total \$68,202 bill list approved without comment Monday night by Granite City council members.

The 2 1/2-page list of bills covering a two-week period showed payments to A. H. Seebold Co. for materials for the new dog pound; \$270 to Leo Kamadulski for weed cutting and \$387 to Milan Concrete Co. for sidewalk and curb work on 14th street, Grand avenue, 26th street and Cleveland blvd., West 21st street and Dewey avenue, West 21st street and Illinois avenue and Ohio avenue.

Fees and expenses allowances on the bill list were: \$404 to City Building Inspector Earl Bloomquist as 50% of building permits during August; \$50 monthly car expense for Assistant Fire Chief Curtis Dunley; \$50 for Police Chief Raymond Willard and \$50 to Civil Defense Officer Victor Fleming; and \$30 monthly allowances to the following allowance: Joseph C. Var, Ford J. Var, Rufus L. Master, Charles Meyer, Donald Jarney, Paul Rutledge, Samuel Shackelford, Casmer Skubish, Samuel Whitmer and Frank Vesci.

Reports Billfold Loss

Loss or theft of a red billfold containing a driving license and other papers was reported to Vance police at 3:20 p. m. Monday by Mary Vasquez, 1414 Eighteenth street. She said it may have been taken while her car was parked in the 200 block of Main street.

\$735 Dump Maintenance

Other bills included on the list were \$735 to Melvin Pashea for city dump maintenance in September, \$1333 to Holland Asphalt Co. for street repairs at 1500 St. Clair avenue; \$900 to

Leaders Agency for renewal of the police indemnity insurance policy; \$1796 to A. H. Seebold Co. for materials for the new dog pound; \$270 to Leo Kamadulski for weed cutting and \$387 to Milan Concrete Co. for sidewalk and curb work on 14th street, Grand avenue, 26th street and Cleveland blvd., West 21st street and Dewey avenue, West 21st street and Illinois avenue and Ohio avenue.

Fees and expenses allowances on the bill list were: \$404 to City Building Inspector Earl Bloomquist as 50% of building permits during August; \$50 monthly car expense for Assistant Fire Chief Curtis Dunley; \$50 for Police Chief Raymond Willard and \$50 to Civil Defense Officer Victor Fleming; and \$30 monthly allowances to the following allowance: Joseph C. Var, Ford J. Var, Rufus L. Master, Charles Meyer, Donald Jarney, Paul Rutledge, Samuel Shackelford, Casmer Skubish, Samuel Whitmer and Frank Vesci.

Reports Billfold Loss

Loss or theft of a red billfold containing a driving license and other papers was reported to Vance police at 3:20 p. m. Monday by Mary Vasquez, 1414 Eighteenth street. She said it may have been taken while her car was parked in the 200 block of Main street.

\$735 Dump Maintenance

Other bills included on the list were \$735 to Melvin Pashea for city dump maintenance in September, \$1333 to Holland Asphalt Co. for street repairs at 1500 St. Clair avenue; \$900 to

Madison Girl In Two Accidents In One Day

Judith L. Hendricks, 16, of 1533 Market street, driving a car owned by Richard Kalika, 1674 Seventh street, Madison, was involved in two automobile accidents Monday afternoon.

The first time, police reported that she was backing north on the First Baptist Church parking lot, 21st street and Delmar avenue, when she struck a parked car owned by Loren D. Ward, 26, of 3001 Benton street. No injuries were reported and no charges were filed.

The second mishap occurred about two hours later when she was southbound on 16th street and was involved in an accident with a northbound, auto driven by Freddie E. Ward, 26, of 3001 Benton street. No injuries were reported and no charges were filed.

REFRESHMENT TIME for men of the Granite City Engineer Depot is much more appealing and the punch tastes all the better when being served by a pretty USO junior hostess. The USO participates in year-round activities at the local Depot.

Help Armed Services Through UF

Fight Against Loneliness Aided By USO

"Winning the peace is a lonely battle!"

Those are the words of President John F. Kennedy, and with them, he, an Honorary Chairman of the USO, has set the theme for its 1961 campaign drive to invite the American people to support USO's world-wide program. Here the USO is aided through the Tri-Cities United Fund.

United Service Organizations (USO) is a voluntary federation of six member agencies.

They are the YMCA, the National Catholic Community Service, the National Jewish Welfare Board, the National Travelers Aid Association. It was organized in February 1941, to best serve our fighting forces in world war II through one united, coordinated effort.

The services provided are many and diverse. Services include writing desks, stationery, snack bars, recorded music, religious literature, religious holiday observances, and chaplains' chats.

Another special service is the USO shows for American service men stationed overseas. Traveling by bus, plane, train, helicopter and truck, USO entertainers give shows for audiences ranging from 50 to 10,000 in some of the world's most inaccessible locations.

Services, such as the one at the Granite City Engineer Depot, are established at the request from local military commands which have the greatest impact on civilian communities and from communities themselves. Overseas requests usually originate with the commands through the Department of Defense. In the final analysis, all requests are evaluated on the basis of need.

USO is operating in 212 locations in this country and 22 abroad following the idea that the USO goes wherever the soldier goes. There are also 31 communities serving isolated military posts in addition to the above operations mentioned.

Even in post war times the USO serves on. When, with the war won, world conditions made it impossible to disband our fighting forces, the USO was obliged to continue its work in behalf of the spiritual and recreational welfare of the men and women in America's military service. During the Korean conflict and in the "Cold War," the USO has represented to our troops the continuing concern of civilian America for their well-being and its contact with them wherever their duty has called them.

And in cooperation with the American Educational Theater Association, college drama groups are sent on tours overseas military bases from time to time to supplement the professional USO variety shows. One such college group, this year, included members of the Southern Illinois University theatre department who entertained American troops in Greenland.

Church To Observe 61st Anniversary

The Nativity of the Virgin Mary Eastern Orthodox Catholic Church of Madison will celebrate the 61st anniversary of the founding of the church on Sunday.

The celebration will begin with vespers services Saturday at 7 p.m. and Divine Liturgy at 10 a.m. Sunday. Orthodox clergy of the Greater St. Louis area will participate in the service.

A banquet will be served in the church hall, 416 Ewing avenue, from noon until four o'clock and entertainment will be provided, including native dances by a youth dancing group from the church.

Very Rev. John Tertichny and Rev. C. Isaac of St. Louis and Rev. K. Antonoff of Madison, will be in charge of the services.

Local Singers Invited To Join Choral Society

An invitation to local singers to participate in the Southwestern Illinois Choral Society was extended Monday night by Dr. Harold E. Headley, society director.

Dr. Headley was chief speaker at a society-sponsored dinner meeting held at the Rose Bowl Restaurant, seeking to recruit local vocalists for membership in the proposed 200-voice chorus, which was organized in February 1959 at the Alton extension center of Southern Illinois University.

Since its beginning, Dr. Headley said, the chorophonic society has made four appearances with the St. Louis Symphony Orchestra. On Nov. 4 and 5 of this year, the singers will again appear with the symphony in the presentation of Beethoven's Ninth Symphony.

Guests at Monday's meeting were asked to submit the names of prospective society members from among local area singers. Dr. Headley said that until a full complement of 200 voices is reached, all interested singers will be welcome to join the chorus.

Among guests at the dinner were Mrs. John McCabe Moore, Mrs. Elvira Herman, Miss Elvira Arbogast, Mrs. Ethel Marie West, Miss Elsie Mayhew, Miss June Nightwine, Dr. Felicia Koch, Mrs. Marion Greshong, Mrs. Parker Bigley, Warren Simpkins, George Chapman, Louis Meek, Robert D. Todoroff, Owen Humphrey, Roderick Key, Charles Simmons, Roy Hill and John McCabe Moore.

Two Street Lights To Be Placed In Double-Block

Installation of two middle-of-the-block street lights in the double-length 1800 block of Spruce street was approved Monday night by Granite City council members along with placing a street light in the alley at the rear of the YMCA and Niedringhaus Methodist Church. Several aldermen opposed two lights in the one block of Spruce street, but approval was given when Aldermen Walter Norn and Steve Basarich pointed out it was a double-length block.

Three To Be Tried For Area Burglary-Thefts

Criminal settings in the Madison county circuit court, Edwardsville, next week will include trials of James W. Bradley, 19, of Granite City, and Charles W. Singleton and Andrew Cunningham, both 17 and both from Lovejoy.

All three were arraigned last week before Judge Joseph J. Barr, after pleading innocent to charges for which they were indicted by the Madison county grand jury earlier. All are charged with burglary and larceny.

Singleton and Cunningham were indicted in connection with a July 27 break-in at Lincoln school, Venice, in which items valued at \$335 were taken. Bradley is charged with breaking into a Granite City residence.

Among those listed by Circuit Clerk Willard V. Portell as having been called for a regular and supplementary jury panel for this week and next are the following Quad-Cityans:

Philip E. Bettendorf, Dena L. Clark, Betty L. Conner, Norvel T. Cooper, Robert E. Dameron, Virginia L. Fabisher, Fred B. Fox, Opal Glynn, Carl H. Graham, Mrs. Edith Green, Belle Gunther, Hassie Harrington, Christina Hoffman and Joseph B. Jenkins.

Charlotte Jeremio, Joseph Kalkowski, Steve K. Kosar, Robert E. Mathenia, Edith McAlister, Betty A. Millwee, Viola Pasley, Mrs. Elva M. Paul, Jean Paulaski, Margaret Ragan, James L. Rice, Norman H. Soechting, Paul W. Statter, Patricia A. Thomas, Emily J. Watkins, Melba R. Winchester and Norbert E. Woods, all of Granite City.

Mollie Besserman, Nora Bradley, Nora L. Moss, Hugh Norman and John Tur, all of Madison, and Earl Hoskins, Venice.

Dr. Lee Given Exact Copy of Unity Scroll

Venice Mayor John E. Lee, a charter member of the Mayors of America Unity Program, this week received an exact reproduction of the large "unity scroll" presented to Pres. Kennedy in Washington May 25.

The scroll, a declaration from 1833 U. S. mayors, expresses their support to the president "in whatever sacrifice the cause of freedom may demand."

Dr. Lee's copy lists his name as a charter member of the program. The scroll is entitled, "Declaration of unity. President John F. Kennedy from the mayors of America."

Its text follows: "In recognition of the awesome responsibility borne by you as president of the United States in guiding the destiny of our nation in this critical period of world turmoil, we as mayors of the nation, pledge you our full support and encouragement in your quest to preserve freedom and maintain peace with honor."

Robert Ferguson Assigned To USAF Weather School

T/Sgt. Robert G. Ferguson; USAF, of 1813 Ferguson avenue, has been assigned to a six-month air weather service chief observer school at Chanute Air Force Base.

Upon completion of the course, he will be assigned as a chief observer, supervising the performance and operation of a weather detachment. Previous to the new assignment, he was assigned to the 33rd Weather Squadron, Selfridge Air Force Base, Mich.

By Press-Record Staff Photographer

ELDERLY HOUSING PROJECT MODEL, proposed million dollar, 100-unit development planned by the Granite City Housing Authority, being viewed by Architects Henry R. Gabriel (left) and Sylvester A. Dulgeroff, designers. Final plans for the units to be constructed on the Bischoff farm at the end of Edwards street are in the hands of the Federal Housing Authority at Washington. The model is currently on display at the Granite City Trust & Savings Bank.

Alright Cleaners Issued Corporation Charter

An Illinois corporation charter has been issued to the Alright Cleaners, Inc., 2209 Madison avenue, incorporated in the state of Delaware, by Charles F. Carpenter, secretary of state.

Mrs. Helen Valicoff is named as president of the firm, with George Valicoff as secretary and James Valicoff as registered agent. A spokesman for the firm said no change in management or operation is to be brought about by the incorporation.

Venice Traffic Charge

Gilbert Brown, St. Louis, was charged by Venice police Monday night by passing a school stop. He was released on a cash bond pending a hearing.

Excavation Requests

An excavation at Niedringhaus avenue and Benton street by Southwestern Bell Telephone Co. to install a cable was approved Monday night by Granite City council members who also referred to the Public Works committee a telephone company request for an excavation in the 2200 block of Monroe street and a request by Illinois Power Co. to excavate along 15th street between Edison avenue and Grand avenue.

Blind Service Group To Solicit Clothing

Representatives of the Benevolent Blind Service, Inc., will be in Granite City next week—Monday through Thursday—conducting a house-to-house solicitation for clothing, furniture, appliances and household articles in an effort to raise funds for a lead for home training program.

The organization operates a store in East St. Louis at 345 East Broadway, managed by a Granite City couple, Mr. and Mrs. Alfred Murphy of 2846 Washington avenue.

Donated articles are refurbished by the blind and placed on sale at the store along with other products made by the handicapped group, such as brooms, brushes, mops, doormats, rugs, basket liners, clothes pin bags, leathercraft and hand work.

The organization operated a lead dog training school in Columbus, O., and also conducts a home training program.

Solicitation of household articles is being made in various areas in other sections of the Quad-Cities area.

New Pontiac Line Shown By Hundley Firm Today

Four new Bonneville models, two Star Chiefs and seven cars in the lower priced Catalina series comprise the 1962 line of wide-track Pontiacs which went on display today at the Hundley Pontiac Co., 1801 Madison avenue.

In addition to new styling in the 1962 models, the line offers improved V-8 engines, extended lubrication limits up to 35,000 miles, a Circ-L-Aire heater standard for all series, more rugged suspension and smoother operating Hydra-Matic transmissions.

"Exclusive new styling both inside and out gives a prestige look to all 13 models," said Walter Hundley, local Pontiac dealer.

Power for the new line is supplied by the Pontiac Trophy 425 engine, a 389 cubic inch V-8 with horsepower variations from 215 to 348 available. Standard with synchromesh transmission in Catalina and Star Chief models is an 8-6-1 compressed ratio engine equipped with two-barrel carburetor. An 8-6-1 engine with four-barrel carburetor is standard with synchromesh transmission in Bonneville models.

Additional engine options offer compression ratios up to 10.7:1 and a choice of four, two or triple two-barrel carburetors, Hundley said.

The new Pontiacs are longer with Catalina series measuring 211.6 inches and the Star Chief

and Bonneville series measuring 218.6 inches. The Safari station wagons are 212.3 inches long.

In the Catalina sedan, hardtop and convertible models the wheelbase has been extended to 120 inches. Star Chiefs and all Bonneville, except the Safari station wagon, are built on a 123-inch wheelbase. All Safari wagons have a 119-inch wheelbase for 1962.

Chopping the new Bonneville series is the two-door sports coupe and the four-door Vista hardtop. Other models available in this line are the convertible and the four-door, six passenger Safari station wagon.

Other Models
New Star Chief models come in the four-door Vista hardtop and four-door sedan, and the Catalina is available in seven different body styles: two-door sports coupe, four-door Vista hardtop, two and four-door sedans, convertible and four-door six and nine passenger wagons.

Special lubrication grease is installed during the car's assembly permits extension of the chassis lubrication up to 35,000 miles without need of motor oil.

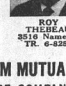

In addition to other mechanical improvements, the new Pontiac line features redesigned steering arms and the rods which enable a reduction of three to three and one-half feet in turning diameter.

**4 GC Police Will
Attend SIU Classes**

Granite City Police Chief Raymond Willard announced that four men from his department will attend a police school to be held at Southern Illinois University in Carbondale.

Chief Willard tentatively selected Detective Ronald Veizer and Patrolman Everett Kelly to attend the basic training course from Oct. 1-8, and Lieut. George Teller and Detective Michael Devine have been named to enroll in the advanced course, Oct. 8-15. The city council Monday night authorized \$100 expense allowance for each man.

Enthusiased? Surprised? Excited?
Sure, wouldn't you be? State Farm has added new benefits for its carefully selected Illinois policyholders. State Farm policyholders are enthusiastic because these new benefits are in effect right now. They're only mildly surprised, however, because State Farm has added new benefits before without in excess of 24 years. But they're excited, and you will be, too, about the benefits added to State Farm's coverage. Two new Safeguards against Cancellation and Surcharge give written protection against cancellation due to accidents plus the assurance that State Farm's low rates will stay low (no surcharges as a penalty for accidents or traffic violations). And, there are five more additional benefits. Call me today or stop in for more information.

**Former GC Teacher
Named To SIU Staff**

Jack J. Richardson, a former Granite City high school teacher, is one of 12 faculty members appointed by the Southern Illinois University board of trustees this week to teach at the main campus in Carbondale.

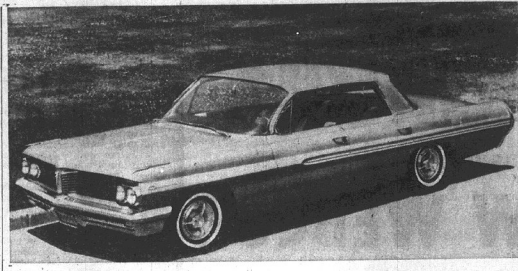

Richardson, who also has been on high school faculties in Idaho and Missouri, was appointed a lecturer in health education. He is a native of the St. Louis area.

Other appointments made by additions to the SIU Broadcasting Service, which will have coverage of Southern educational television station which is scheduled to go on the air next month.

PONTIAC'S NEW Catalina four-door hardtop shown here is one of 13 models in the new 1962 line which went on display today at the Hundley Pontiac Co., 1801 Madison avenue. The new line features models in three series, with redesigned styling throughout.

Res. Hausfuss, Former Resident, Is Honored

Mrs. C. W. Hausfuss of Alton, formerly of this city, has been awarded a Citation for Meritorious Service by the President's Committee on Employment of the Handicapped.

The award was made at an employee's conference and dinner in the interest of employment of the handicapped held at Hotel Stratford. It was presented by Paul Scher, blind executive director of the Governor's Committee, in appreciation of exceptional contribution in furthering the employment of handicapped.

Mrs. Hausfuss is a charter member of the Madison County Association for Retarded Children which was organized in 1955 and is on the board of advisors for the class for mentally handicapped children held at Edwardsville. Mrs. Hausfuss has been active in the work of her church as well as other community projects.

**Ray Iberg Addresses
Local NFO Members**

Ray Iberg, Madison County National Farmers' Organization chapter president, was guest speaker at Monday night's local meeting of the NFO at Drenova's Twin Oaks restaurant near the Chain of Rocks Canal bridge.

Erwin Wein was chairman of the meeting.

Iberg, a resident of Highland, reported on the national NFO convention held Aug. 7 at Des Moines, Ia., where National President Oren Lee Staley spoke.

He reported that Staley said the NFO board of directors had two-thirds the necessary signed production to force processors to bargain table. He added that the NFO holding price is as follows: soybeans—\$2.36 per bushel, corn—\$1.49 per bushel, hogs—\$22.75 per 100, and cattle—\$32.45 for choice grades.

It was announced that a membership drive would be conducted soon and an area meeting with the national president as speaker is being planned to spark the drive. Iberg said time and place of the meeting will be announced when final arrangements are made. Wein added that a whole hog sausage supper may be served.

In closing, it was pointed out that contracts to be presented to processors for negotiation are being studied by county chapters over a 14-state area.

Those attending the meeting agreed that low farm prices are a serious threat to the family-type farm. "With this in mind, the NFO and the collective bargaining program were formed, and in just 2 1/2 years, the NFO has risen to the nation's lead in farm organizations in supplying needed strength to promote farm prosperity," Iberg said.

5 Speeding Arrests

Five motorists were issued arrest tickets for speeding on Edwardsville road between 9:25 a.m. and 10:45 a.m. Tuesday.

Granite City police, using an electric timing device, stopped Richard J. O'Donnell, 33, East St. Louis; Sam Fredman, 56, of 3200 Namekiki road; Mary L. Hamilton, 28, East St. Louis; Jack Rice, 49, Clarksville, Mo.; and Lawrence B. Caruso, 20, of 1230 Robin street, Venice. All posted their driver's licenses at bond.

A daughter of Mr. and Mrs. T. E. Hassell of Troy, formerly of Granite City, she was born and reared here and attended the local schools, moving to Alton several years ago. The former Thelma Hassell, she is a sister of Mrs. David H. Thomas of this city. Mrs. Thomas and Mr. and Mrs. Hassell were in Alton to attend the award dinner.

**Rites Conducted Today
For Mrs. Elsie Stuart**

Funeral services were conducted at 1:30 p.m. today at the First Methodist Church of Madison for Mrs. Elsie Stuart, 61, Madison avenue, Madison, who died Monday at St. Joseph's Hospital in Highland at the age of 71.

Burial was in Sunset Hill Cemetery. Her survivors include a son, James, of Granite City.

Parking Lot Collision

A parked car belonging to H. R. Stark, 47, Kirkville, Mo., on a lot at 17th street and Grand avenue was struck at the left front Monday afternoon. Police reported that Everett Wortham, 4200 Maryville road, was driving north on the lot when he collided with the Stark auto. No charges were filed.

A miracle man is one who can weather an attack of love and wisdom at the same time.

Model Shelter, Housing Shown By Local Bank

Scale models of the proposed Granite City public housing project for the aged and an underground family fallout shelter are now on display at the Granite City Trust & Savings Bank.

The model of the housing project, final plans for which are awaiting approval by the Federal Housing Authority, is a miniature layout of the entire development, complete with streets, walks and trees.

The fallout shelter model, built by Miss Susan Lee Scherger of Florissant, Mo., was previously shown by the A. O. Smith Corp. safety department to attract workers' attention to Civil Defense literature which was available. Miss Scherger's parents, Mr. and Mrs. Roy J. Scherger, are both A. O. Smith employees.

A spokesman for the bank said both models will be on display for at least two weeks, and that the public is invited to view them.

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3 1/2 feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!

'Problem Discussion Night' At Farm Bureau
"Problem discussion night" will be the theme of a Monday night meeting of members of the Madison County Farm Bureau at the Farm Bureau building in Edwardsville, beginning at 8 p.m.
Five separate group discussions will be conducted, with individuals given the opportunity to sit in on more than one group. Problems will be aired and solutions sought, and discussion leaders will provide ballots and fact sheets for voting on proposed solutions.
The Farm Bureau also announced plans to conduct another food poster contest for students ages five through 19. Entry blanks may be obtained at schools or by writing the Farm Bureau office at 900 Hillsboro avenue, Edwardsville.

One-Way Ordinances To Be Prepared For Benton, State

Show down votes on traffic control ordinances extending one-way traffic on Benton street and re-establishing one-way traffic in three blocks of State street are anticipated at the next regular council session Oct. 2.
Authorization was given at this week's meeting for the ordinance to be prepared. At a meeting earlier this month, the Traffic committee had recommended following a public hearing that no changes be made in the present traffic movement pattern.
Request for the Benton street extension from 24th to 27th street was made by Fourth Ward Alderman Donald Partney; while Second Ward Alderman Edmund Bartoski requested the ordinance for one-way, southbound, from 21st to 24th street. Bartoski also asked for an ordinance to place a stop sign on Benton street at 25th street.
Predicts Bottlenecks
Alderman Walter Nunn, member of the Traffic committee, predicted a severe bottleneck at 27th and Benton streets with southbound traffic forced to turn to other streets as well as congestion on other northbound streets with complaints from the residents.
Alderman Estill Van Schmitz one-way request, saying the Second Ward aldermen were picking out three blocks in the middle of the long thoroughfare extending from 14th street to Fehling road and that to designate just the short distance as one-way southbound would confuse motorists.
The other Second Ward alder-

A. L. Jessee To Give Bankers' Meet Welcome
Allen L. Jessee, vice-president of the Granite City Trust & Savings Bank and president of the installment lending division of the Illinois Bankers Association, will give the welcome address at the division's 13th annual conference at Peoria on Sept. 27.

Principal speakers at the conference will include Robert S. Burnett, secretary and board member of the W. E. Caldwell Co., Louisville, Ky.; Harold D. Draper, business management consultant for the National Automobile Dealers Association, Saginaw, Mich.; and Kenneth Jackson, vice-president, New England Merchants National Bank, Boston.

Opening address for the session will be given by George M. Wasem, vice-president, Commercial National Bank of Peoria. Wasem's address, titled "The Image of an Image," will cover the relationship between the fields of installment lending and public relations.

The conference will deal with recent changes in credit legislation and installment loan financing. On the second day, bankers will be divided into groups to discuss mutual problems with men from other banks of similar size.

Speeding Charge
Arrested at 15th and State streets at 7:40 a.m. Tuesday and charged with speeding was Joe R. Deitch, 24, of 1423 Iowa street, who posted his driver's license as bond.

Combination Floor Is Introduced By Granco
A new floor system for the distribution of conditioned air and wiring for electrical, telephone and power services has been developed for use in apartment and office buildings by Granco Steel Products Co. of St. Louis, a subsidiary of Granite City Steel Co.

Called the "A-E (air-electric) Floor," it is being installed in several new buildings, including the 28-story Michigan Consolidated Gas Co. building in Detroit. Paul E. Nichols, Granco general manager, said extensive tests and first construction use of the floor show that, by combining mechanical and electrical services in a single floor system, architects and engineers have more flexibility in providing for the service and comfort of tenants in modern buildings.

Miss Glone Begins Student Teaching
Miss Rebecca Glone, 2644 Iowa street, is one of 311 Illinois State Normal University students now engaged in student teaching. She has been assigned to teach the fourth grade in the Metcalf school.

The 311 have been assigned to over 30 schools throughout Illinois as well as to the Metcalf elementary school and the University high school on the ISNU campus at Normal.
A student must complete satisfactorily at least 70% of the class work for a bachelor's degree to be eligible for student teaching, as well as pass certain qualifying examinations.
Dr. Cecilia J. Lauby serves as the university director of professional laboratory experience. Hundreds of public school and university staff members assist with supervision of the student teachers.

Dudley Wins Top Trophy For Lodge Scrapbook
H. Wesley Dudley, 2204 Lynch avenue, has received the state's top trophy for scrapbooks of publications concerning the activities of Class Three Moose Lodges. He is publicity chairman for Wood River Lodge 1348.
The award came Saturday as a result of judging by the Illinois Moose Association state officers. Class three includes lodges of less than 1000 members.
Dudley received the trophy for a wood-backed, looseleaf book containing newspaper clippings, pictures and articles concerning his lodge's activities during the year.
On the cover of the book, in black and silver metal letters, is the inscription, "Wood River Lodge 1348, Loyal Order of Moose, Scrapbook, 1960-61," surrounding a bronze metal Moose insignia.

Rep. Price To Attend Conference In Vienna

Rep. Melvin Price (D), East St. Louis, announced today he will attend the fifth general conference of the International Atomic Energy Agency in Vienna beginning Sept. 26 as a congressional advisor.

Congressman Price said that he would include West Berlin in an itinerary following conferences with the U. S. delegation at the Vienna meeting. He said he wanted to make an "on-the-scene" survey of the feelings of the West Berliners and our own military personnel in that city.

Price is a veteran member of the Joint Committee on Atomic Energy and the House Committee on Armed Services. In May he served as a congressional advisor at the Geneva nuclear test ban negotiations and participated in a meeting with President Kennedy in Paris on the eve of the President's meeting in Vienna with Premier Khrushchev.

The Illinois Congressman said he would also visit NATO headquarters in Paris on the trip.

7th Annual Shrine Benefit Game Here Friday

PRESS-RECORD SPORTS

Page 36 Thurs., Sept. 21, 1961 Granite City PRESS-RECORD

Madison's Stawar, Gravelle Cited For Their Play Against Edwardsville

Norman Stawar and Mickey Gravelle have been picked as the Madison "linemen and back of the week" for their part in the Trojan "scare" and tie of the Edwardsville Tigers Friday night in Madison, 10-10. Selections were made by Madison mentor Glen "Pick" Pickering.

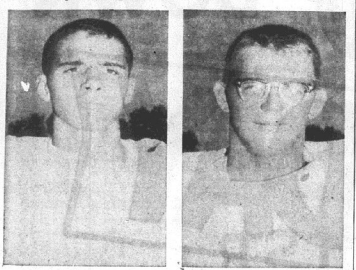

Stawar, a 170-pound senior letterman guard, was named to the Midwestern Conference second team a year ago. Gravelle, who guided the club last year in his first year with the varsity, directed Friday night's action with near perfection.

Mixing his plays, Gravelle used faking and masterful hands to keep the Bengal defense honest all night. Only once did he cross up the "armchair quarterbacks" and that was late in the first half, when he elected to pass on the opposite 12-yard line with a first-and-10 situation.

After that, he kept sending Joe Asperger's line, rushed Tiger Quarterback Larry Schaale throughout the contest. On a middle to keep the opposition guessing.

Stawar, a mainstay in Coach Joe Asperger's line, rushed Tiger Quarterback Larry Schaale throughout the contest. On a middle to keep the opposition guessing.

Stawar, a mainstay in Coach Joe Asperger's line, rushed Tiger Quarterback Larry Schaale throughout the contest. On a middle to keep the opposition guessing.

MIKEY GRAVELLE

NORMAN STAWAR

Top Field On Saturday Midget Card

The current Midwest area point leader and two drivers who still stand a chance to catch up will be among the 30 to 35 midget auto pilots expected to be on hand for a Midwest championship racing program Saturday night at the Tri-City Speedway here.

Currently leading the United States Auto Club Midwest region in points' gained is Dwight Brown of Decatur. Hot on Brown's heels are area pilot Arnold Knepper of Belleville and Danny Frye of St. Louis. Frye won the 50-lap feature last time the midgets appeared here on Aug. 17.

Also in Saturday's field of entries will be Bob Wente of St. Louis, last year's USAC Midwest champion; Carl Williams, 1960 Kansas City area champion; and Danny Bane of Little Rock, Ark. All will be driving Offenhausers.

Jerry Mann of Roxana will enter the events driving one of the fastest Ford-powered cars in the area.

Sponsored by the St. Louis Auto Racing Association, Saturday's program will begin with 7 p.m. qualifying runs. The first six races will begin at 8:30.

Included will be three heat races, a trophy dash for the four fastest qualifiers, a 20-lap semi-windup and the 50 lap championship race.

Admission will be \$2 for adults and 50 cents for children under 12. Free parking is provided.

Coolidge Fills Open Date, Resets Game

One schedule revision and the filling of an open date were announced this week for the Coolidge junior high school football team by Frank Kraus, co-coach. The Braves filled an open date on Sept. 28 by scheduling Clark junior high school of East St. Louis in a 4 p.m. home game, and the club's meeting with Prather junior high school was reset for Friday, Oct. 20, on the GCHS field to prevent interference with high school homecoming activities of the previous evening. The original date of the Coolidge-Prather game had been planned.

PREP PIGSKIN PICKS

Although his percentage in selecting the winners of last week's opening high school football games was only .667 (eight of 12 games considered picked correctly), Claude the Computer offered no excuse this week.

Fed a three-foot length of perforated tape which asked the question "Who happened?", the electronic football brain hit his dial, turning a very becoming shade of pink — replied that perhaps he had put too much faith in squads which are members of the Southwestern conference.

Claude sees GC Victory. Claude felt that five of them would win last week. Only two (East St. Louis and Wood River) did, and Claude wasn't the only pre-game predictor forced to blush Saturday evening.

Undaunted, Claude came up with the prediction that six SWC members will gain victory over the coming weekend, including Granite City in the annual Shrine Benefit game with Madison.

All in all, he predicted the outcome of 15 area games. Hmm... could that number be an omen of even a poorer percentage to come?

Boys' Touch Football Loop Opens Saturday

A 60-game schedule of touch football will open Saturday morning for 225 boys between the ages of nine and 12 as the Granite City park district begins its fifth season as sponsor of the fall program.

The touch football season will run for seven weeks, with all games in the Midget (9-10) and Junior (11-12) divisions to be played on a marked off gridiron located in the outfield of the park's No. 1 boys' baseball diamond, near the junction of State street and Fehling road.

Eight teams will compete for the Junior division title. Five squads will play in the Midget division.

Saturday's schedule:

9:00 — Eagles vs. Lions
10:00 — Naneold Browns vs. Blast Furnace
10:40 — Panthers vs. Colts
11:30 — Lincoln Place vs. Steelers

Midgets

1:15 — Rams vs. Falcons
2:05 — Seebold Concrete vs. Cardinals

SPLASHERS LEAGUE

Pieper Funeral Home 3, Cameron & Son Trucking 0; Frederick Reifig 2, First Bank 1; Vita Coe 2, Lueders 1; Onka's Drive-In Liquor 2, G.C. Sheet Metal 1. Thomas 183.

FLOWERS LEAGUE

Roses & Pansy's 0; Daisies 3, Gardenias 0; Iris 2, Mum's 1; Dolores Smith 177, Marge Henshaw 182.

MADISON JAYVEE GRID SCHEDULE

Sept. 28 — Prather Jr. High, home, 4 p.m. (fresh only)

Oct. 2 — Cahokia, away, 4 p.m.

Oct. 9 — Dupu, home, 7 p.m.

Oct. 12 — Coolidge, away, 4 p.m. (fresh only)

Oct. 16 — Bethalto, away, 7 p.m.

Oct. 24 — Roxana, away, 7 p.m.

Oct. 30 — Highland, home, 4 p.m.

Granite City Hosts Madison, Holds One-Game Edge In Cross-Town Series

Needed, a defense which can get stingy in the clutch and an offense which can hold onto the football.

That's what rival coaches Glen Pickering of Madison and Andy Sullivan of Granite City were looking for this week as they prepared their respective teams for the seventh annual inter-city Shrine benefit football clash tomorrow night in Granite City.

Neither ballclub came out of last Friday's openers unscathed physically.

Granite City lost the services of defensive specialist Bob King, who sustained a back injury in a 40-0 whitewashing the Warriors took from Assumption, while Madison lost the services of Center Del Clemmons, who suffered a knee injury while Madison was playing Edwardsville to a 19-19 standoff.

But basically, the lineups will remain unchanged Friday night, with rival juniors Larry Noblin of GC and Mickey Gravelle of Madison due to call the signals.

Granite City leads in the cross-town series since the two clubs began playing for charity back in 1955, three games to two. The 1958 contest, played in driving rainstorm, resulted in a 0-0 tie.

Traditionally A Close Game

Picking a winner has always been difficult. Four of the six games have been decided by a touchdown — or less.

Only in 1957, when Madison's son, now a regular in the University of Iowa backfield, was on hand, did the game develop into anything resembling a runaway. The Trojans grabbed that Delta lead.

Both current coaches had definite ideas this week on how the game should be engineered.

"Fewer mistakes" was Sullivan's solution. "We made 19 against Assumption" and over "one of them hurt us," he said, "don't think anything else could have happened to us that didn't."

Fumbles inside their own 20-yard line and two many errant passes counted heavily in the shutout suffered at the hands of the Pioneers.

"Those mistakes sure put the pressure on our defense, and it's somebody's going to pay for that one," Sullivan predicted. "It's Crippled Children in St. Louis."

PROBABLE STARTING LINEUPS

STRATEGY SESSION, or "What to do about Madison," finds members of the Granite City high school football coaching staff gathered around backboard as Head Coach Andy Sullivan diagrams a pass pattern. From left to right are Backfield Coach Gordon Gelbreath, Sullivan, Interior Line Coach Don "Duke" Brumley, Trainer Al Lewis and End Coach Roger Manuel. Results of the session will be seen in Friday's annual Shrine Hospital benefit game.

Steady Play Earns Player of Week Awards For Linemen Pindell, Barron

Granite City football Coach Andy Sullivan leaned in the direction of two big linemen as he selected the first "Back and against Assumption" "Player of the Week" for the 1961 season.

"We really didn't get a long enough look at any of our backs for a selection to be made this week," he said in explanation of the naming of Tackle Melvin Pindell and Guard Don Pindell.

Barron, a 265-pound tackle, and Pindell, a 260-pound guard, were both named to the team.

Conference For JPs, Magistrates At SIU

An intensive three-day Illinois traffic court conference, sponsored by 13 separate agencies, will be held at Southern Illinois University Nov. 27-29, primarily for justices of the peace and police magistrates.

Dr. James Aaron, coordinator of SIU's Safety Center, said the conference will be of special interest to the 17 counties of the state electing new officials in November, and to the 22 counties which did not send their representatives to a previous conference in May.

Subjects to be discussed include traffic safety status and objectives in Illinois, the traffic judge and his community, the legal and implied duties of the traffic judge, the prosecutor in traffic cases, rules of evidence in traffic cases, corrective penalization, legal aspects of tests for intoxication and reorganization of Illinois justice courts.

Sponsoring organizations are the SIU Safety Center; the Illinois Department of Public Safety; Division of Traffic Safety; Illinois court program of the American Bar Association; Northwestern University Traffic Institute; the Illinois State Bar Association; the Illinois Association of Supervisors and County Commissioners; the Illinois County and Probate Judges Association; the Illinois Association of Chiefs of Police; the Illinois Association of State's Attorneys; and the Illinois Sheriffs' Association.

MISSIONARIES SPEAK

Two missionaries, Rev. Eubank and Rev. Diaz of South America, spoke and showed slides of the new mission field they are opening in South America, Sunday morning at the Cedar View Baptist Church.

Mr. and Mrs. Jacob Getteman entertained with a dinner Sunday evening. Guests present were Mrs. and Mrs. Clarence Stehl of Collinsville, Mr. and Mrs. Earl Young and Alan and Sally Getteman. The evening was spent playing games.

Joined last at Camp Lejeune, N. C., and had spent "boot" training in San Diego, Calif., 15 months in Okinawa and six months in Puerto Rico.

Veach will attend SIU in Alton this semester. Cpl. Charles Jones is a guest at the Veach home, returning from Camp Lejeune with him, and will leave for Okinawa in two weeks.

INFANTS' NAME CHOSEN

Kristy Lee Miller is the name chosen by Mr. and Mrs. Leslie Ray Miller, 1606 Sixth street, Madison, for their infant daughter. The new arrival, who weighed three pounds, one ounce, is at the Christian Welfare Hospital Premature Center in East St. Louis at present. Mrs. Miller the former Miss Janet Heely.

Council Studying Bids To Restore Backyard

Bids for restoration of the backyard at the home of Mr. and Mrs. Robert Margeson, 3156 Aubrey avenue, where a newer line break occurred early in the summer, are under consideration of the city council.

The homeowners submitted two bids to the council Monday night and they were referred to the Finance committee and city attorney for action as quickly as possible.

The bids in the amounts of \$864 and \$1329 call for complete restoration of the damaged yard, which was the scene of sewer repair activity throughout the summer, even to a large crane moved in to drive piling.

It was pointed out the larger bid included replacement of two eight-inch maple trees, 20 feet tall at a cost of \$800. Both bids included replacement of the lawn and shrubbery.

Council members remarked

during the meeting that the family had been exceptionally patient and considerate while the costly repair work was underway, and it was brought out that similar restoration work was approved following completion of repairs in a yard at a home along Maryville road several years ago.

The break occurred following a heavy rain early in the summer and first was noticed in the morning after a downpour when a rose arbor had virtually been swallowed into the ground. Within a short time a hole 15 feet in diameter appeared in the back yard.

Awarded Scholarship

Dorothy L. Martin, 99 Weaver street, Madison, is one of 16 Southern Illinois University students enrolled at the university's Southwestern Illinois Campus to receive tuition scholarships for one or more years at the East St. Louis Center.

STOP SIGN RELOCATION MIGHT BE FATAL

To the Editor:

It indeed is a great shame to be a property owner and taxpayer and cannot buy protection for your children. I should like to explain the ridiculous over-the-dead-end stop sign that Mayor Davis threw up to the street commissioner. I stop sign cannot be put on every corner but since Wayne has so much traffic I requested this stop sign on Faith at Wayne which some may think unnecessary for the protection of our children, especially our six-year-old son. He has what is known as aphasia, this is a hearing problem which one does not understand speech and must be taught speech and language. I was trained to use his hearing. We have waited five long years for a place in the Speech Department at Central Institute For The Deaf.

In July this stop sign was put up after a car almost ran up on the sidewalk where Jeffrey was standing. On last week this sign was removed and placed on the other side of the street where it is of benefit to no one. May I ask, "Is not a child's life more important than the inconvenience of a stop sign to a few hick-driving people?" May I add to the parents of children who opposed this stop sign, I hope they can get a good ride's rest knowing their selfishness may cost an innocent little boy his life. I know his parents live him just as much, even more than they do their own, since he needs more love and protection than the child born with no physical defect or handicap.

MRS. GERTRUDE STAFFORD
2805 Wayne

QUESTIONS RETARDED DATA, TRANSPORTATION

To the Editor:

For several years we have been coaxed, cajoled, and strong-armed into giving the "United Way" one fund drive, no more solicitations, etc., were supposed to make up for the fact our donation was divided over with agencies we do not particularly care for and that we are made to feel like Scrooge if we cannot chip in the amount some anonymous soul says we can afford. These things are bad enough, but why, oh why, isn't the information in those publicity blurbs checked more accurately?

There is undoubtedly misinformation in all of them, but I will argue the one with which I am most familiar: that is the C.C. Association for Retarded Children. First, you state there are only 27 children in attendance. If 3 EMH classes at 15 each makes 45, and 1 TMH at 10, then total enrollment should be 55. Since all these classes are actually only 1 or 2 pupils short, why do you say there are 18 vacancies (55-37 is 18) when there are only 6 or 7?

And then this, I will quote

Granite City PRESS-RECORD

Page 38 Thurs., Sept. 21, 1961

because he didn't happen to back the right person during election, is rather absurd.

I believe we have gotten better street service since Bill Warfield has been in office than we have for some time. Why should one man have the right to degrade this man for his own pleasure and spite. If those old-timers who always do his bidding won't stand up for what is right and vote his authority on this matter down, then I think it is the people's place to speak and make themselves be heard.

Don't set back, as many of us usually do, and let this get too far out of hand—any man can take only so much pushing before he must give in and in this case it would be very wrong and to the city's disadvantage. To be degraded and belittled in front of your fellow man is hard for anyone to take, and in this case we should let it be allowed to continue.

The S.L.U. Report might be true and good, but it should be as a guide not as a set law. Even in a business firm, as I am sure many of you know, the president should know generally what is going on in each department, but it is the man who actually does the work, the man who knows best what goes on in that department. It is the same in this instance—how can Mayor Davis expect to know more about running a street department than the man who has been doing it all along and pretty well at that.

I say clean out your own house first and be sure that it is in order before you start disturbing the neighborhood. MRS. JOHN KNIPPING
2441 St. Clair,
Granite City.

READER SAYS SIDEWALKS PRACTICALLY IMPASSABLE

To the Editor:

The sidewalks in Granite City have become practically impassable with bicycles and loose unmuzzled dogs. We pay taxes for protection from all these things yet the dogs run wild and no one gives the dog catcher enough power to act properly.

If the dog catcher and the superintendent of streets can't do their job, let's do away with both and put on a few more police and let them take over.

And here's one more how about taxing every family in Granite City a flat rate who doesn't own property? Their children attend our schools, they drive upon our streets, park their cars there as well and yet they pay for none of these things.

I think many will agree with me that these people should contribute toward the taxation which is weighing so heavily on others.

A TAXPAYING
CITIZEN

SAYS WARFIELD CORRECTED CITY STREET PROBLEMS

To the Editor:

Do you remember no longer than just five years ago? This was before Mr. Warfield entered office. For a small example, I am sure you remember when Myrtle Avenue was caving in after every heavy rain and flood water spreading through out the Community Heights area. In plain English we were living in a "terrible mess." I am sure all of you citizens of Granite City know that under Mr. Warfield's regime this situation is being cleared up. He has done many, many great things for the area in which I live on Marshall Avenue, and not only in my area but throughout all of Granite City.

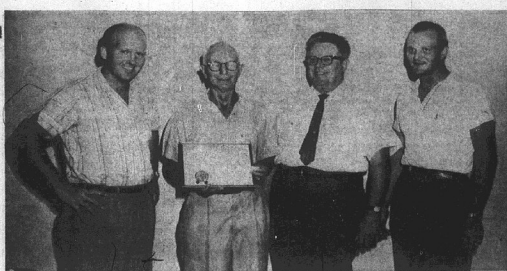

When I say Mr. Warfield, I am speaking of a man who has had experience not only covering city streets and alleys but who also held a similar job with the state. I am sure all of you people know that. This position is one requiring excellent knowledge to handle in addition to the tremendous strain placed upon him in this city. The people know that at all hours of the night Mr. Warfield has been with his men working along side of them.

Ladies and gentlemen, do you want to dispose of a man who has had 12 years of experience? In my opinion he is highly qualified for the position to which he was duly elected. In the event of his disposal, it is very probable that his successor may have learned his trade from the very man that has been removed. I am sure that there is a soft spot in the hearts of nearly every taxpayer of Granite City for Mr. Warfield. At one time or another I know he has gone out of his way, above and beyond the call of duty, in order to satisfy the complaints of the citizens.

In closing from telling you the facts, I sincerely urge the citizens of this city not to sit back and allow discrimination against this wonderful man. It seems as if it is a pure case of jealousy.

Crime Expert Named To SIU Special Study Center

Myrl Alexander, assistant director of the Federal Bureau of Prisons, has accepted the position of heading Southern Illinois University's center for the Study of Delinquency, Crime and Corrections, at Carbondale.

The appointment of Alexander as director of the unique center was approved Tuesday by the SIU board of trustees. The 30-year veteran of service in the government bureau will begin his duties Dec. 1.

Alexander, 51, recognized as a top national authority on penal administration, has been the Federal Bureau of Prisons assistant director in charge of field operations since 1947. During his service he also has held executive assignments at U. S. penitentiaries in Atlanta, Ga., and Lewisburg, Pa., was warden of the Federal Correctional Institution in Danbury, Conn., and was chief of prisons in the Office of Military Government for Germany.

Crime Expert Named To SIU Special Study Center

Myrl Alexander, assistant director of the Federal Bureau of Prisons, has accepted the position of heading Southern Illinois University's center for the Study of Delinquency, Crime and Corrections, at Carbondale.

The appointment of Alexander as director of the unique center was approved Tuesday by the SIU board of trustees. The 30-year veteran of service in the government bureau will begin his duties Dec. 1.

Alexander, 51, recognized as a top national authority on penal administration, has been the Federal Bureau of Prisons assistant director in charge of field operations since 1947. During his service he also has held executive assignments at U. S. penitentiaries in Atlanta, Ga., and Lewisburg, Pa., was warden of the Federal Correctional Institution in Danbury, Conn., and was chief of prisons in the Office of Military Government for Germany.

Your family doctor guards your physical health

Your family lawyer can guard your legal health

If your family is like most, you have a good family doctor who looks after your health. But do you have a family lawyer? Just as preventive medicine is often the best way to avoid illness, preventive legal advice is the best way to avoid serious legal problems. Improperly handled, the simplest contract, lease or tax matter can become a serious legal problem. And when you buy a home or other real

estate, see your lawyer—he has the knowledge and experience to safeguard your interests at every stage of the transaction. To protect your title to the property, he may often recommend a title insurance policy of Chicago Title and Trust Company available from our representative in your county. You'll get the benefit of 113 years of experience in protecting the titles of Illinois home owners.

Engagement Of Miss Popyancheff Is Announced

Announcement is being made of the engagement of Miss Christine Popyancheff, daughter of Mrs. George Popyancheff and the late Mr. Popyancheff, 814 Madison avenue, Madison, to Edward E. Roberts, son of Mrs. Edward L. Roberts and the late Mr. Roberts, 2728 Fair Oaks drive.

Miss Popyancheff is a graduate of the Academy of Notre Dame, Belleville, and the University of Illinois and at present is working towards her master's degree at the University of Illinois. She is presently employed as a teacher at Coolidge Junior high school.

Roberts is a graduate of Madison high school and Washington University, St. Louis, and has done post-graduate work at De Paul University, Chicago.

Ideal Class To Reorganize

The Ideal Class of First Baptist Church held the final meeting of the Sunday school year Monday evening in the parlors of the church, 21st street and Delmar avenue.

Beverly Dennis, the retiring president, and Martha Culpen, both of whom are being promoted to the young people's department, were presented with gifts from the group.

After the business hour there were games and a pot luck supper was enjoyed by the following members, Carol Birmingham, Kellogg, Clancy, Sandra Cory, Rose Marie Frith, Janet McIlvoy, Mary Roberts, Jo Ann Clark, guest, Kathy Jones, and the teacher, Mrs. Jo Ann Terrell.

The election of officers for the new year will take place at the October meeting.

Hospital Group Plans Events

An executive meeting of the officers and board of St. Elizabeth Hospital Auxiliary was held Monday evening at the hospital when plans were formulated for the coming season.

Mrs. Martha O'Day, president, was in charge and announcement was made of a bake sale Dec. 1 and the annual Christmas party for the nuns later in the month.

The regular monthly meeting of the Auxiliary will be held at the hospital Sept. 28, and on Sept. 26 members will attend a meeting of District Nine, Hospital Auxiliaries, in Carlinville.

Attending the executive meeting were Miss Helen Heller, and Mesdames O'Day, Margorie Strauss, Elizabeth Gabriel, Lillian Walker, Mollie Kahler, Mabel Gaston, Irene Argolan, Elizabeth Kelly, Pearl Ryckman, Dorothy Partney, Ann Gasparovic and Elvira Thurber.

SIXTIETH ANNIVERSARY. Mr. and Mrs. Henry Winkelmann of Rural Route One, who celebrated their 60th wedding anniversary at their home this week.

60th Anniversary Celebration For Hy. Winkelmanns

Mr. and Mrs. Henry Winkelmann, lifelong residents of this area, observed their 60th wedding anniversary at a family dinner party in their home on Rural Route One this week.

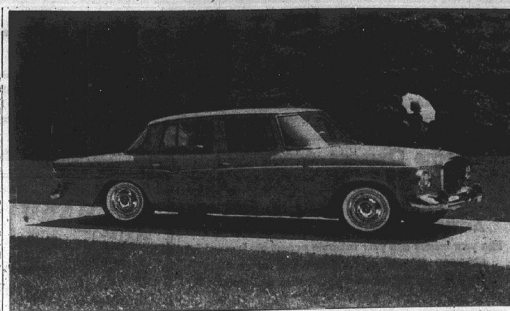

Mr. Winkelmann is 82 and his wife is 81. They were married Sept. 18, 1901, at St. John Evangelical and Reformed Church on Nameoki road. They have three children, Mrs. Edna Daigler of Lafayette, Ind., Mrs. Mildred Buenger and Henry Winkelmann Jr., both of this city, six grandchildren and nine great-grandchildren.

A retired farmer, Mr. Winkelmann was born and reared on the farm where he and his wife reside. Mrs. Winkelmann was also born and reared here.

Present at the celebration were Mr. and Mrs. George Daigler of Lafayette, Ind., Mr. and Mrs. George Buenger, Mr. and Mrs. Winkelmann Jr., Mr. and Mrs. James Craig and daughter, Mrs. Rose Miller, Mrs. Mayne Wachter, and William Buenger, all of Granite City; Mr. and Mrs. Dale Schanuel and sons of Caseyville, Mr. and Mrs. Louis Garbers of Collinsville, Mr. and Mrs. Arthur Sken, Mr. and Mrs. Tom Scheller and Mr. and Mrs. Jack Hunt and family of St. Louis.

Special Education Aid To County \$24,570

Madison county schools have qualified for \$153,049 in special education claims for 1960-61, an increase of \$24,570 from the 1959-60 total of \$128,478, it was announced today.

George T. Wilkins, superintendent of public instruction, has approved payment of \$4,344,486 in reimbursement to Illinois school districts for education of exceptional children in the special education program. This covers claims of all districts except Chicago. Chicago claims will be approved prior to Nov. 1.

The newly-approved claims are \$346,072 more than the \$338,984 for the 1959-60 school year.

About 100,000 children are being served by the program. Wilkins said there should be further expansion of educational opportunities to meet the needs of the physically handicapped, maladjusted, educable mentally handicapped, trainable mentally handicapped, speech defectives and multiply handicapped.

Among the listings for 1960-61 are seven counties which had no claims. Payments are made to the county superintendents for distribution to districts in their counties entitled to reimbursement.

LEGAL NOTICES

CITY COURT NOTICE
In the City Court of the City of Granite City, Illinois.
WILLIAM E. HUGHES, a minor, by DOROTHY HUGHES, his mother and next friend.

JOHN L. KRAYNAK,
County Auditor,
for Committee.

City Invests Idle Funds To Get Interest

(This is the 28th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

Continuing a report on the financial department of the city of Granite City, the \$11.1 million of experts pointed out the controller endeavors to keep all idle funds invested at interest.

In the year ended April 30, 1960, the city earned \$8250 in the general fund from interest. The city has adopted a policy of making deposits on a certificate of deposit for six months at 3% interest. The certificates are in such amounts and so scheduled that the city does not lose any large amounts of interest when the certificates mature.

"The firemen's and police pension funds have been invested in savings and loan associations and in U. S. Savings Bonds.

\$10,000 Annual Interest
The city has not used U. S. Treasury notes as a means of investing funds, feeling that they realize as much interest and have more convenience with the certificates of deposit. The controller now estimates that the city will realize nearly \$10,000 in interest in the general fund this year.

To present a more orderly outline of the city's funds and accounts to prepare the way for budgeting accounting, the SUT team has suggested a codification of all funds and accounts, as well as the classifying and coding of revenues. The current system would be based on "A Standard Classification of Municipal Accounts" with revisions to be adaptable to Granite City.

"The codification of revenues and expenditures should be given

City Invests Idle Funds To Get Interest

numbers for easy use and identification, and city files should be set up in accordance with the system."

Finance Dept. Proposals
In its major proposals for the city finance department, the experts set forth the following recommendations:

"The major activities of the finance department should be budgeting, accounting, fiscal reporting and personnel. The procedures within each of these activities should be formalized to form a basis for divisions when the city grows sufficiently to require it.

"The accounting system should be revised to permit budgeting, accounting records and fiscal reporting as already outlined. A codification of accounts should be developed to formalize the fund structure and to make possible comparisons between departments and activities and to provide more information on the activities of the department.

"A major tool of administrative and fiscal control required by the mayor, if he is to exert proper executive leadership, is a budget program including both an annual budget programming activities for the current year, and a long range capital program in interest in the general fund this year.

"The city should take steps to revise its fiscal reporting system following an organization of accounts set up in the standard classification. The reporting should extend to the annual audit and to the monthly and annual reports prepared by

Libraries To Receive Books On Pharmacy

A committee of members of the Madison-St. Clair Counties Professional Pharmacists Association, headed by local pharmacist Bernard S. Miller Jr., plans to present a set of books entitled "The History of Pharmacy" and "Pharmacy's Place in Our Society" to each public library in the two-county area.

Meeting Tuesday night at the Grand Marais dining room in East St. Louis, the pharmacists association decided to make the presentations during National Pharmacy Week, Oct. 1-7.

Local pharmacists attending the meeting were Phil Sheridan, Don Vaughn, Bill Duckworth, Ron Rojas and Miller.

UNITE VOICE

Democracy is built on the promise that when people rule they may not always be wholly right, but never far wrong.

The man who dreams of past possibilities has a poor chance for success in the future.

\$22,217 June City Sales Tax, Highest of Year

June city sales taxes in the Quad-Cities rose to \$22,217, largest monthly total of this year.

The area tabulation included \$17,993 being returned from Springfield to the Granite City municipal treasury, \$2524 to Madison and \$859 to Venice.

For the first six months of 1961, the city's total of \$120,010 includes \$95,725 on Granite City sales, \$18,663 Madison and \$5021 Venice.

Monthly areawide listings have been \$18,728 for January, \$17,654 February, \$20,733 March, \$19,723 April, \$20,041 May and the \$22,217 for June.

Previous June tax totals were \$24,996 in 1960, \$19,773 in 1959, \$17,263 in 1958, \$18,705 in 1957 and \$18,102 in 1956.

A half-cent-areawide on retail sales goes to the cities. The other three and a half cents of the current four-cent tax is retained by the state.

Prior to June 30, the total was three and a half cents, including three for the state and a half-cent for cities for a half-cent for counties in unincorporated areas. The June report just announced is the last at that level.

Here's a Wonderful Solution to your BACK ACHE Problem

THE "BACK SUPPORTER" MATTRESS

by **SPRING AIR**

15 year guarantee

Persistent back ache? If it's caused by lack of firmness in your mattress — you can be rid of it tomorrow by sleeping on a "Back Supporter" tonight! Hundreds of leading hospitals are so convinced of its healthful benefits — they'll use no other mattress for their patients.

Actually, you get two degrees of resiliency in one mattress — firm on the side with cotton felt cushioning, extra-firm on the side with costly hair cushioning.

Both give scientifically correct support to back muscles.

Come in and select your "Back Supporter" Mattress today. You get a 15 year guarantee and can buy on our easy payment plan.

box spring is perfectly matched and sells for \$79.50 also.

"TIP CORNERS" make easy work of adjusting fitted sheets.

"HEALTH CENTER'S" Gives Extra Support to mid-body weight. 9 different types of coils meet all sleeping requirements.

EXTRA HEAVY COVERING will withstand years of steady use.

Houston Selected For NASA Moon Laboratory

The "moon shot" space flight laboratory will not be built on the Chain of Rocks canal north of the Quad-Cities, nor anywhere else in this area, it was announced Tuesday. The National Aeronautics and Space Administration has chosen Houston, Tex., for the \$60,000,000 research center.

Announcement was made by Congressman (D) of Houston, Texas, who has been a long-time proponent of the Houston Space Center. He said that the Houston Space Center is a "moon shot" laboratory that acts on NASA money requests. He spoke from the Washington office of Vice-President Lyndon Johnson, also of Texas, chairman of the National Aeronautics and Space Council, which oversees the entire U. S. space program.

The command center for moon exploration will later manned space missions will be located on 1000 acres of land to be purchased by the government from Rice University. It is in Harris county, bordering Clear Lake and the Houston Light and Power Company's salt water canal.

Noting that the site was not affected by Hurricane Carla and related flooding, NASA Administrator James E. Webb cited four reasons for the selection, which has been announced in Houston for several weeks:

Houston is relatively close to New Orleans, La., where rocket launchers will be built, and to Cape Canaveral, Fla., where moon shots will be fired; it is on deep water transportation,

"A comprehensive review should be made of the city insurance program by a committee of insurance agents using technical assistance to determine whether the city has adequate coverage in both amount and type. There are some areas in which the city does not insure which should receive particular attention.

"All city insurance should be purchased after competitive bidding open to all companies on specifications designed by the city."

New Brooks Restaurant Opens This Morning

The Quad-Cities area's newest eating establishment, Brooks' restaurant, opened this morning on State Route 162 a mile north of the Granite City mills, near Horseshoe Lake.

Featuring chicken and steaks, the new restaurant is owned and operated by Marshall Brooks, a lifetime Granite City resident who also operates the Brooks Cabinet Shop at 2301 East 20th street.

The all-new, fully air conditioned building was designed and built by Brooks, and is surrounded by a large parking lot. It is of modern design, with plate enabling large shipments between the three points; its climate permits outdoor work most of the year; and the complex of three bases can be expanded for "heavier payloads and deeper penetration into space beyond the moon to the planets."
